Using Biography:

Resolving the Tension of Jesus's Mission in Matthew's Ancient Biography Jerry D. Breen, 2024-10-03 Jerry D Breen argues that reading Matthew and all the Gospels as ancient biography is the necessary next step for Gospel studies In particular Breen contends that more specific comparisons should be made between the Gospels and ancient literature Breen stresses that this reading invites narrative critics to place more emphasis on examining the use of sources and the importance of intertextual and historical information that the author introduces to the text Breen places emphasis on the relationship between Jews and non Jews in ancient Galilee and Palestine and challenges the long supported theory that Jesus did not minister to non Jews beyond two or three exceptions Demonstrating that Jesus is inclusive of everyone who comes to him even though he was sent primarily to the Jews Breen argues that the portrait which Matthew creates is one of a Jewish Messiah who is on a mission to restore Israel so that the restored people of God can bless the nations Concluding that rather than two conflicting missions the audience of the gospel is encouraged to view the healing of non Jews during Jesus s ministry as further proof that the Jewish Messiah is bringing restoration to Israel *New Trends in Psychobiography* Claude-Hélène Mayer, Zoltan Kovary, 2019-08-06 This volume offers insights into contemporary trends and perspectives in psychobiographical research It applies new theoretical and methodological frameworks and presents discourses on psychobiography from transdisciplinary backgrounds and various socio cultural contexts displaying the new state of the art new trends and themes in psychobiography The book outlines psychobiography s outstanding contribution to psychology from 36 internationally reputable authors It also presents the ideas of five outstanding psychobiographers through interview excerpts This book is a must for researchers lecturers and practitioners in the field of psychology and social sciences interested in the use of new psychological theories and methodologies in life span research **Feeling Felt in Pastoral Care, Counselling and Supervision** LIT Verlag, 2021-10-01 This book contains several scientific and professional contributions of the 13th Conference of the European Council on Pastoral Care and Counselling a network of organizations and individuals in the practice teaching or supervising of pastoral care and counselling in Europe **Qualitative Research** Stephen D.
