Stranger From Home:

A Stranger's House Bret Lott, 2011-11-15 For a long time Claire and Tom Templeton have wished in vain for a child What they have instead is a house a charming old Cape that is their consolation In the gray chill of a Massachusetts autumn the Templetons and two local handyman loners and eccentrics work to rebuild the ramshackle home As the house takes on a new life Claire begins to understand its tangled history and to reconcile her own past and renew her hope for the future

Archives of the Roentgen Ray, 1907 Stranger from Home Elizabeth Léonie Simpson, 2004-03 In the 1930s when Cole Worthington returned to his Boggy Depot farm in the flatlands of Oklahoma he hoped his family would welcome him back But after he had run away his son JT had taken over to help his Christian mother bring the place to profit JT had no desire to relinquish the authority he had earned The son's life was ruled by religion just as his mother's was but of another kind he was in constant battle with a malicious Old Testament God as well as any human who might dare to challenge him physically Boggy Depot was a white man's town with blacks at risk if they stayed after dark but JT was of a mind to change that Good friends with the family's hired black he secretly cut down the warning sign and carried it away Marrying the banker's lovely daughter was part of his life plan but that is derailed when like his father's assumption of authority the local beauty finds sexual distraction in a visiting evangelist whom she believes she loves Like Cole JT runs away leaving his parents his sister Susie and baby brother Bug to cope with a series of natural catastrophes drought tornadoes and finally rains and flooding The story has other actors Dry with his insatiable thirst the independent old quilter who lives in a pig shed and the bank teller Gay with his unfortunate ambition to please Bertie his spoiled wife who is also Sary's sister Bertie has an insatiable desire for a star ruby ring whose disappearance adds to the disaster of its cost In the end as the drama unfolds Bertie gets her comeuppance and Sary and JT their rewards for being steadfastly what they are Sary the Handmaiden of the Lord and JT the willing battler returned to the fray A Critic's Review Stranger From Home is a beautifully written novel and proves conclusively that an epic can be written in fewer than 200 pages It is a novel to be savored not just for its characters who emerge in the tale as if from the very soil but also for its substance The key to life in this story is belief whether it be in God or fate or love or anything Cole fails because he is a true cynic Sary ultimately succeeds oil is found on Worthington land land Cole once abandoned because she says I had faith And JT wins too because he believed in battle the necessity of tension in everyday life He becomes a man This novel is likely to remain undiscovered for years but it should be recognized someday as a near classic novel of the American spirit Chris Goodrich in The San Francisco Review of Books *Miller's New York as it*
