

A wolf is shown in profile, standing in a snowy field and howling with its mouth open and head tilted back. The background is a soft, hazy landscape with some bare trees. The text is overlaid on the left side of the image.

the first note  
stopped me in my tracks  
an ache forming in my bones  
how can you hear a howl like that  
and not join in?  
When a wounded wolf cries for family  
how can you not call them home?
