Which Way:

Which Way Are You Going? Robert H. Scott Jr., 2013-01-25 I pray that this book ministers to the hearts of the saved and unsaved that the unsaved may draw close to Jesus and accept him as Lord and Savior and those that are already saved will grow stronger and wiser Many go to church religiously most are not saved they just go Are you one of them Which way are you going You decide We all must examine ourselves and determine which way we are going spiritually The path and choices we make will determine our eternity tomorrow Deuteronomy 30 19 says I call heaven and earth to record this day against you that I have set before you life and death blessing and cursing therefore choose life that both you and your seed may live Neither is there salvation in any other but Jesus Christ *Which Way Are You Going?* Maurice S. Rawlings, 2008-11

Which religion is yours You don't have one That's strange because in the hospital Emergency Room everyone seems to vocalize a religion of some sort want to or not The typical response to an acute injury or illness is God help me And they can't keep from saying this Each religion also seems to involve this basic question Is there a life after death And to attain this good life when you die seems to form the basic objective of most religions But how do you know that you have the right religion In this wonderful Age of Resuscitation in which we live post death experiences occur in most all faiths races and cultures In fact about twenty percent of those resuscitated from clinical death have had an after death experience so real that it turns their life upside down Not only are they willing to bet their life on this revelation but the very sequence of events are comparable something that drugs chemicals injuries and infections cannot do or duplicate For contrast let's compare the death experience for the main groups of religions for death as with life is patiently waiting for each of us to discover this answer for ourselves
