As he travels home on the Northern Line
he is reviewing his marriage.

though they still fulfil a useful and ceremonial
purpose – have lost some of their resonance,

When he used to tell her that he loved her
it was certainly true: but now the words –

as in *Barons Court* or *St John's Wood*
or the beautiful *Shepherd's Bush*.

Gas Station Stories AND OTHER POEMS Joseph M Lopez, 2024-02-18 As I was putting this book together I noticed how many times I mention or hint at gas stations Some are obvious Some are not Yet so many of my interactions take place at one making it into my writing Perhaps I m finally noting their impact on the everyday lives of us all They are places of community and connection and sometimes a place to confess To console and be consoled celebrate and to confide Where I live they bring people together We know the owners and co workers at these places They are family and friends The bright beacons of these stations call us in for necessities or give us a place to stretch our legs They are places to find every type of character in every state of mind They are very American and very human indeed This is a book that observes and honors the extraordinary people in an ordinary community filled with heart
