*Modern Christian Revivals* Randall Herbert Balmer, 1993 Beginning with the Great Awakening in the American colonies and continuing through contemporary Latin America where revolution and revivalism have been central to sociopolitical change *Modern Christian Revivals* demonstrates the enduring relevance of Christian revivalism Half of the contributors focus on the United States from Puritan New England through the Old South to Billy Graham and Pat Robertson the others discuss revivalism in England Norway China and Canada chronicling influential as well as less frequently studied movements This volume explores long held assumptions about revivalism and illustrates its central role in the Christian tradition

Finney, 2016-03-04 The Power of God at Work Charles Finney's ministry led to some of the most amazing revivals that have ever occurred in the United States or England In *Holy Spirit Revivals* Finney recalls those events revealing the secrets that led to the mass conversions of lost souls in his meetings throughout upstate New York as well as in Boston Philadelphia and London Finney was unafraid of offending delicate ears by addressing the problem of sin head on and his dedication to prayer his understanding of Scripture and his radical reliance on the power of the Holy Spirit are a great template for believers today This treasured account of one of the greatest Christian preachers in history is an outstanding resource for anyone interested in seeing a revival of faith in the church      **Revival Fires and Awakenings, Thirty-Six Visitations of the Holy Spirit** Mathew Backholer, 2018-01-31 Updated in 2020 *Revival Fires and Awakenings* features thirty six of the most powerful revivals and awakenings from world history as well as little known visitations of the Holy Spirit These revivals span eighteen countries on six continents and whilst each move of God is different the author reveals the common characteristics and reoccurring experiences which come to the fore during times of God's showers of blessing Throughout the book there is a watermark and undercurrent of the influences of the British Awakening 1739 1791 and the Welsh Revival 1904 1905 and how Christians were stirred and encouraged by past visitations of the Holy Spirit or encouraged and inspired by the lives of revivalists to see the blessing of revival in their own town or nation Read about the glorious workings of God during times of heavenly visitations Revived Christians saved sinners transformed communities and nations healings physical phenomena conviction of sin miracles signs and wonders deliverance from demons prayer and intercession Including visions and prophecies of revival for the United Kingdom and beyond Learn from the past be challenged for today and be inspired for the future      [America's Great Revivals](#), 2020-06-30 The year 1734 marked the beginning of one of the greatest revivals in the history of North America Sparked by the preaching of Jonathan Edwards the flames of revival spread throughout New England Other great awakenings followed across the new nation as God sent spiritual revival through the ministries of George Whitefield Charles Finney Dwight L. Moody Billy Graham and many others Today America is in need of a fresh awakening from God May the captivating stories of

what God did in the 18th 19th and 20th centuries inspire you to pray for a new season of great revival *Global Awakening*  
 Mark R. Shaw,2010-03-25 The last century has seen the revolutionary remaking of Christianity into a truly world religion  
 How did it happen Mark Shaw s provocative thesis is that far flung revivals in places like Africa Korea Brazil and India are at  
 the heart of the global resurgence of Christianity [The Evangelical Revival](#) R. W. Dale,1880 [Discerning and Exposing](#)  
[the Spirit of Deceit of Antichrist](#) ETAN BRUNO, **Revivals, Awakening and Reform** William G. McLoughlin,2013-03-06  
 In *Revivals Awakenings and Reform* McLoughlin draws on psychohistory sociology and anthropology to examine the  
 relationship between America s five great religious awakenings and their influence on five great movements for social reform  
 in the United States He finds that awakenings and the revivals that are part of them are periods of revitalization born in  
 times of cultural stress and eventuating in drastic social reform Awakenings are thus the means by which a people or nation  
 creates and sustains its identity in a changing world This book is sensitive thought provoking and stimulating It is must  
 reading for those interested in awakenings and even though some may not revise their views as a result of McLoughlin s  
 suggestive outline none can remain unmoved by the insights he has provided on the subject Christian Century This is one of  
 the best books I have read all year Professor McLoughlin has again given us a profound analysis of our culture in the midst of

**Rise of the Global South** Elijah Jong Fil Kim,2012-04-06 Global Christianity has been experiencing an unprecedented  
 historical transition from the West to the non Western world The leadership of global Christianity has taken on a new face  
 since the twentieth century Christendom in Europe and America has experienced a great decline while there has been a rise  
 in Majority World Christianity Churches in the Global South have given their voices to global Christianity through their  
 leadership world mission movements and theology The phenomenal church growth has risen from the Pentecostal and  
 Charismatic movement Pentecostalism has become the dominant force in global Christianity today The Rise of the Global  
 South examines the significance this shift has had on global Christianity by going through the history of Christianity in the  
 West and the causes of the shift **The Revival** William Ainsworth Tyson,1925 **Revival and revival-work. A record of**
