**The Coming Restoration** Kenneth E. Hagin,1985-06 This anointed minibook explains the move of the Holy Spirit today to restore the power authority and character of Christ in the Church and in the lives of believers [The Coming Restoration](#)

Bert M Farias,2022-08-11 The purpose of revival is to restore life to the Church and to bring reformation where necessary Revival and revivalism are only one step toward the original standard and design of God The Divine standard is for a Spirit filled Church of love and power and a mature man in Christ There is a coming restoration in the Church that will produce a glory that will be greater than anything we ve ever seen God s remnant people are pregnant with a giant baby called The Coming Restoration and the manifestation of the glorious sons of God on the earth In this hour Jesus is building strong local churches that reflect His own image of grace and truth through the restoration of character doctrine power and authority in His people and the fullness of the Spirit especially in His servant leaders and those who govern The Word says the government will rest upon His shoulders and His disciples kept that in view when each city became the local seat of His government This is why when we read Scriptures it speaks of the called out assembly of Ephesus or the called out assembly of Corinth or Philippi etc In essence Jesus was instructing His disciples to build His government with His saints in each city united together as one local body the local expression of His Kingdom They were thus to bring in His authority and glory on this earth through Jesus their Lord and King [2036](#) Bruce Reynolds,2010-08

**The Road To Restoration** Thomas Fitzhugh Sheets,2016-10-23 While I have worked on this project for two years about halfway through I told my pastor that I felt like I was taking on the whole John 3 16 Christian culture While I have never believed that at the moment of belief or surrender we receive the keys to the kingdom I have come to the understanding that Jesus is telling Nicodemus who He is and what He is going to do at His second coming He takes care of the sin problem and shows that He has the power over the death in His first coming initiates the age of true righteousness and sets the stage for His second coming It is at this time that He lifts the curse and completes the promise made to Abraham reveals who the children of God are and establishes His kingdom here on this earth On that Day the dead in Christ will come out of the grave and meet Him in the air We have a choice of whether to believe that Jesus completes the work of salvation at His first coming or His second coming There are so many scriptures that place the complete work of salvation at His second coming that I find it difficult to believe that He completes this work at His first coming It comes down to mankind s desire for instant gratification In Luke 9 there is a passage where Jesus before He picks up His cross once and for all time talks specifically about who He is and what He has come to do at his first coming In that passage he tells His disciples that they too along with all those who choose to follow Him must pick up their cross daily This does not appeal to the instant gratification crowd but it is where faith begins Where our faith journey begins determines where our journey will end

**Restoration Has Finally Come** Cynthia Ann Boykin,2013-04 Restoration Has Finally Come is for those that have been walking with the Lord and through many

challenges trials and setbacks have given up or just can't seem to find their way back to God. However, this book was written to let you know that God loves you and has given His word that he will restore to you the years that the devil has stolen from you. This is such a surety coming from our Father God and all you have to do is trust His word and the encouraging words from this book.

[The Roar of Justice](#) Vanessa K. Hawkins, 2026-04-07 Learn Why Justice Matters to God Through the Book of Amos. The prophet Amos was a simple shepherd and an unlikely prophet yet he delivered a powerful message to Israel and its neighbors: a declaration of God's heart for justice. Trusted Bible teacher Vanessa Hawkins invites us to lean in and listen closer to Amos because what was true about God's justice for ancient Israel is also true for us today. This eight-week study on the book of Amos invites you to explore why justice is so important to God. *The Roar of Justice* will help you gain a greater understanding of God's justice and his righteous rule while simultaneously recognizing his intense love and deep desire for the flourishing of all people. In this Bible study, you'll find five days of guided study each week, engaging video teachings from the author, and a framework to help you learn what the Scriptures say and mean and how to respond. Hawkins points you toward the challenge contained in the message of Amos, encouraging you to listen carefully to Scripture, earnestly reflect on the truths that you hear about injustice, and be willing to be transformed by what you discover. In *The Roar of Justice*, you'll discover that justice isn't buried in the pages of Amos; it is a mighty and resounding theme that flows throughout Scripture straight from the heart of God.

[The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church](#) Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths, untangle misunderstandings, and get a deeper understanding of this balanced and biblically sound end-times framework. Many today, with an interest in the end times, face a problem: they have forgotten the past. Knowing the history of eschatology is key to understanding its importance, how we interpret our faith, and our outlook on God and humanity. So why do so many overlook it, and what can we do to correct this? *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second-century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers. It makes a case for a contemporary Irenaean premillennial eschatology, arguing that it is a reliable framework for a biblically defensible, theologically balanced, and historically informed eschatology. *The Fathers on the Future* includes these key features: Restores historical perspective; Recovers the forgotten roots of early Christian eschatology, emphasizing the teachings of Irenaeus of Lyons and other church fathers; Biblically grounded framework; Offers a well-supported case for a biblically defensible premillennial eschatology, balancing theology and history; Clarifies and corrects complex aspects of early eschatology, strengthens key theological points, and corrects missteps; Fresh yet ancient approach; Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions. *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well-developed eschatology inherited from those who were close associates of

the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective

**Interpreting Revelation and Other Apocalyptic Literature** C. Marvin Pate,2016-11-27 Christians live in two overlapping ages this present age and the age to come By examining Revelation and other apocalyptic literature from the Gospels and the Old Testament it can be argued that end time events and the age to come have already begun This understanding however can present many challenges How do we explain this blending of present and future How do the future resurrection of the body and the return of Christ impact pastoral care and sermon preparation now C Marvin Pate provides an accessible guide to the distinctive content form and function of apocalyptic literature Key principles of interpretation specific to this genre are presented as well as steps in communicating the theological messages of apocalyptic passages in the Bible Pate s in depth explanations offer a reliable introduction to this field of literature as well as new insights into the texts

**Three Views on Israel and the Church** Jared Compton,Andrew David Naselli,2019-01-26 A comparison of three major views on the relationship between Israel and the church The relationship between Israel and the church is a long standing debate in Christian theology and Romans 9 11 are the most important chapters for understanding it How one interprets these chapters determines how one understands biblical theology how the New Testament uses the Old Testament and how the old and new covenants are related To help readers draw their own conclusion four leading scholars on this issue present a case for their viewpoint followed by a response and critique from the others Michael Vlach argues for a future mass conversion and a role for ethnic Israel in the church Fred Zaspel and Jim Hamilton present a case for a future mass conversion that does not include a role for ethnic Israel And Benjamin Merkle contends that Romans 9 11 promises neither a future mass conversion nor a role for ethnic Israel General editor Andrew David Naselli helpfully sets the debate in its larger biblical theological context in the introduction while Jared

Compton provides a useful summary of the views and interactions at the end of the volume *The Prophets* Edward Chauncey Baldwin, 1927 All Things New John Eldredge, 2017-09-26 New York Times bestselling author John Eldredge offers readers a breathtaking look into God's promise for a new heaven and a new earth. This revolutionary book about our future is based on the simple idea that according to the Bible, heaven is not our eternal home; the New Earth is. As Jesus says in the gospel of Matthew, the next chapter of our story begins with the renewal of all things by which he means the earth we love in all its beauty, our own selves, and the things that make for a rich life: music, art, food, laughter, and all that we hold dear. Everything shall be renewed when the world is made new. More than anything else, how you envision your future shapes your current experience. If you knew that God was going to restore your life and everything you love any day if you believed a great and glorious goodness was coming to you, not in a vague heaven but right here on this earth, you would have a hope to see you through anything, an anchor for your soul, an unbreakable spiritual lifeline reaching past all appearances right to the very presence of God. Hebrews 6:19. Most Christians, most people, for that matter, fail to look forward to their future because their view of heaven is vague, religious, and frankly boring. Hope begins when we understand that for the believer, nothing is lost. Heaven is not a life in the clouds; it is not endless harp strumming or worship singing. Rather, the life we long for, the paradise Adam and Eve knew, is precisely the life that is coming to us. And that life is coming soon. The Annotated Bible Arno Clemens Gaebele, 1921 **The Messages of the Later Prophets; Arranged in the Order of Time, Analyzed, and Freely Rendered in Paraphrase** Frank Knight Sanders, 1899 The Spirit and Power of Elijah Michelle McClain-Walters, 2023-12-05. Strongholds can't be broken without the boldness to confront them. After reading this book, you will have the courage to walk in the same anointing as the prophet Elijah, to boldly declare the power of the Lord and break off the strongholds holding our world captive to the darkness. As it was in the days of Elijah, a great number of God's people today dwell in a nation that is on a path of progressive moral decline. America has the most liberal abortion standard in the world. Christians are hooked on pornography. The homosexual agenda is finding acceptance even in the church. Divorce is on the rise in the church. Human trafficking is manifesting as the ugly side of globalization. Those who were once considered great leaders are now preaching a doctrine of inclusion with Christians who leaders or that are afraid to say on national television that Jesus Christ is the only way to salvation. With the turn of a new decade, plagued with violence, sickness, disease, and economic instability, the people cry out for the prophets to speak. And God is raising up a prophetic people who will help prepare the way for His purposes in our generation. A new company of Elijah prophets, holy, bold, and uncompromising, are being equipped to restore the spiritual destiny of the church in our generation. In this book, Michelle McClain-Walters challenges readers to awaken to the call God is stirring in the earth and stand up as modern-day Elijahs who will partner with the Holy Spirit to change the culture by turning hearts back to God. Readers will be encouraged to identify the call of God on their lives in this hour and ask, "Am I an Elijah?" Learn what it takes to walk in the spirit and power of Elijah and where they

may be in their own journey Understand the different roles miracles play during times of revival reformation and restoration Learn to pray prayers that move heaven and shake earth as well as how to persist in prayer This book will empower readers to discover their prophetic destiny in this hour and position themselves to receive a double portion of the spirit and power of Elijah *The Coming Kingdom of Christ* John R. Rice,1954 A Bible study on the return of Christ the coming restoration and conversion of Israel the reestablishment of David s throne at Jerusalem Christ s reign thereon for a thousand years and the eternal Heaven upon the earth where all the saints of God of all ages will dwell in eternal rapture in the presence of our Father God and His dear Son our Saviour Jesus Christ **A Commentary** Robert Jamieson,1884 **The Monist** Paul Carus,1899 Vols 2 and 5 include appendices **A Biblical Introduction** William Henry Bennett,Walter Frederic Adeney,1899
