

**THE
SPLINTERED
PARTY**

*National Liberalism
in Hessen and
the Reich, 1867–1918*

Dan S. White

Splintered Party

Mark Steyvers

Splintered Party:

The Splintered Party Dan S. White, 1976 As a study of the greatest middle class party of Imperial Germany The Splintered Party is inevitably in its broadest aspect an inquiry into the weaknesses of liberalism in the Empire of Bismarck and Wilhelm II How did the National Liberals the dominant force in the Reichstag of the 1870s become by 1914 a spent and divided power Professor White explores this question from a new perspective emphasizing regional circumstances as primary agents of the party's decline The resulting portrait underscores the paradox of the National Liberals a party with strength in all areas of the Empire a rarity before 1914 yet a party whose impact was undermined by divisions among its regional branches In The Splintered Party the former Grand Duchy of Hessen serves as a testing ground where the regional foundations of National Liberalism can be exposed As Professor White points out the party's reversals on the Imperial plane after 1878 rejection by Bismarck electoral defeats internal splits not only ended its early primacy in German affairs but also shifted political initiative from Berlin and the Reichstag delegation to the National Liberal branches in the states and provinces which had maintained unity power and alliances with local government in spite of the upheaval above them The consequences of this change become visible through close examination of the political and social structure in Hessen On the regional level a liberalism based on the claim to majority representation by the notables Honoratioren of bourgeois society a creed no longer plausible in national politics remained defensible Through the Heidelberg Declaration of 1884 the National Liberals of the German Southwest attempted to buttress this approach with an economic and social platform and simultaneously to make it the impulse of the national party's revival But they succeeded only in deferring National Liberalism's adjustment to democratic politics and in subordinating their movement to the clash of regional and constituency interests The result was a chronically splintered party Against the backdrop of this main theme White delineates several additional features of the changing political and social scene in Imperial Germany the local power of the notables Bismarck's skills as a political manager the character of agrarian discontent and rural anti-Semitism the steady advance of socialism The uniquely German element in National Liberalism's failure is assessed in a concluding comparison with the development of liberal politics in Britain and Italy

The Nazi Party in Dissolution David Jablonsky, 2013-10-18 This book examines the effect the Verbotzeit had on the leadership structure and on the consequent position of the party within the völkisch movement Looking primarily at Bavaria and North Germany it examines the failed attempts that were made to prevent Hitler from filling the leadership void within both the NSDAP the National Socialist German Workers Party and the völkisch movement

Party Politics in India Myron Weiner, 2015-12-08 A major study of India's developing party system The author who spent 18 months in India employs a series of party case studies to assess India's chances at building a stable political framework Originally published in 1957 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve

the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Know-Nothing Party in Massachusetts John R. Mulkern,1990 *Kansas Governors* Homer E. Socolofsky,1990 **Political Catholicism and the Reform of the German Party System, 1900-1957** Noel Demetri Cary,1988 *The Antimasonic Party* Charles McCarthy,1901 *Sir Wilfrid Laurier and the Liberal Party* Sir John Willison,1903 *Libertarian Party of Indiana* V. Packard ,1984 Lippincott's Monthly Magazine ,1908 Far Eastern Economic Review ,1995 Intercontinental Press ,1974 The British National Bibliography Arthur James Wells,1968 **Nazism, Neo-Nazism, and the Peasantry** Timothy Alan Tilton,1975 Indiana University Social Science Series ,1975 **Press Summary - Illinois Information Service** Illinois Information Service,2002-08-16 **Nineteen-two in Vermont** Mason Arnold Green,1912 *The Great Republic* Bernard Bailyn,1992

Middle East Review ,1985 **American Book Publishing Record** ,1976

This is likewise one of the factors by obtaining the soft documents of this **Splintered Party** by online.
