Splinters of Light Johannes Kerkhoven,2004 **Splinters of Light** Frank Topping,2008 **Splinters of Light** Donna Swanson,2011-03-07 John tells us in his gospel that we are the light When we accept Christ and become part of the family of God we are put on a lamp stand We are the city on the hill People will see us Our light will shine The only choice we have is the amount of Light we allow through the cracks in these earthen vessels So how do we do it What does it mean to shine to illuminate I can say only that we shine in spite of ourselves Our shining is not a product of our own labor It is not something we can will into being Rather it is the byproduct of a life lived in the presence of the true Light We are a reflection of Him The brilliance of that reflection the penetrating power of Christ s Spirit in our lives is His gift to us As we allow our hearts to overflow with His goodness mercy and love with the knowledge of who He is and what He is that goodness and mercy and awesome reality somehow manifests itself to those around us The love we receive from Him flows naturally into our world and into the lives of those with whom we come in contact Now I offer to you those words He would not let me ignore words that crowded behind walls of hesitancy words that tumbled through the cracks and became splinters of light May Christ be honored and a tiny part of His glory revealed in these small splinters *Splinters of Light* Rachael Herron,2015-03-03 From the acclaimed author of *Pack Up the Moon* comes a poignant and beautiful novel about love loss and the unbreakable bonds of family particularly those between mothers daughters and sisters Ten years ago Nora Glass started writing essays about being a single mother of a six year old daughter Her weekly column made her a household name and over the years her fans have watched Ellie grow from a toddler to a teenager But now Nora is facing a problem that can t be overcome Diagnosed with a devastating disease that will eventually take away who she is she is scared for herself but even more frightened about what this will mean for her sixteen year old daughter Now Nora has no choice but to let go of her hard won image as a competent self assured woman and turn to the one person who has always relied on her her twin sister Mariana Nora and Mariana couldn t be more different from one another and they ve always had a complicated relationship But now the two sisters will have to summon the strength to help them all get through a future none of them could have ever imagined while uncovering the joy and beauty that was always underneath **The R.O.T.C.
