the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these *Blessing Same Sex Unions* will be a must read for both sides of the debate over gay marriage in America today *Mystery Reader's Walking Guide* Alzina Stone Dale,1997-04 *Mystery Reader's Walking Guide* New York takes you on a tour of the Manhattan that mystery writers have made famous See New York through the eyes of more than 50 mystery writers and their characters from S S Van Dine's Philo Vance to Emma Lathen's John Putnam Thatcher and many others **Editor & Publisher** ,1920 *The fourth estate* **The Reader's Index & Guide** Croyden Public Libraries,1930 **School** ,1905 *Report of the Public Service Commission for the First District of the State of New York* New York (State).
