*House & Garden*, 1980      *Miss Cootes' Confession: The Voluptuous Experiences of an Old Maid* Anonymous, 2020-09-28

I know I have long promised you an account of the reason of my penchant for the rod which in my estimation is one of the most voluptuous and delicious institutions of private life especially to a supposed highly respectable old maid like your esteemed friend Treaties must be carried out and promises kept or how can I ever hope for the pleasure of making you taste my little green tickler again Writing and especially a sort of confession of my voluptuous weakness is a most unpleasant task as I feel as shamefaced in putting these things on paper as when my grandfather s housekeeper first bared my poor blushing little bottom to his ruthless attack My only consolation at commencing is the hope that I shall warm to the subject as it progresses in my endeavour to depict for your gratification some of the luscious episodes of my early days My grandfather as you well know was the celebrated Indian General Sir Eyre Coote almost as well known for his eight penny fiasco with the Bluecoat boys as for his services to the Hon E I Company He was a confirmed martinet and nothing delighted him so much as a good opportunity for the use of the cat but I cannot tell you anything about that as that was before my time My first recollection of hint is after the aforesaid City scandal when he had to retire from public life in comparative disgrace My parents both died when I was just upon twelve years of age and the old General who had no other relatives to care for took entire charge of me and at his death I was left his sole heiress and mistress of nearly 3 000 per annum He resided in a quiet country house some twenty miles from London where I spent the first few months of my orphaned life with only his housekeeper Mrs Mansell and the two servants Jane and Jemima The old General being away in Holland searching so I afterwards heard for original editions respecting the practices of Cornelius Hadrien a curious work on the flagellation of religious penitents by a father confessor It was the middle of summer when he returned and I soon found the liberty I had been enjoying considerably restricted Orders not to pluck the flowers or the fruit in the garden and a regular lesson set me every day by the old autocrat himself At first they were tolerably simple but gradually increased in difficulty and now in after years I can plainly understand his wolf and lamb tactics by which I must eventually fall under his assumed just displeasure What gave me considerable pleasure at this time was his decided objection to mourning or anything at all sombre in my dress He said my parents had been shown every possible respect by wearing black for months and I must now be dressed as became a young lady of my good expectations      [The Pearl: A Monthly Journal of Facetiae and Voluptuous Reading](#) (Complete 18 Volumes) Various Authors, The merry month of May has always been famous for its propitious influence over the voluptuous senses of the fairer sex I will tell you two or three little incidents which occurred to me in May 1878 when I went to visit my cousins in Sussex or as I familiarly call them the She Noodles for the sport they afforded me at various times My uncle s is a nice country residence standing in large grounds of its own and surrounded by small fields of arable and pasture land interspersed by numerous interesting copses through which run footpaths and shady walks where you are not

likely to meet anyone in a month I shall not trouble my readers with the name of the locality or they may go pleasure hunting for themselves Well to go on these cousins consisted of Annie Sophie and Polly beside their brother Frank who at nineteen was the eldest the girls being respectively eighteen sixteen and fifteen After dinner the first day of my arrival paterfamilias and mamma both indulged in a snooze in their armchair whilst us boys and girls I was the same age as Frank took a stroll in the grounds I attached myself more particularly to cousin Annie a finely developed blonde with deep blue eyes pouting red lips and a full heaving bosom which to me looked like a perfect volcano of smothered desires Frank was a very indolent fellow who loved to smoke his cigar and expected his sisters who adored him to sit by his side reading some of the novels of the day or tell him their love secrets lazy is an ugly word Walter but the fact is Soph is just reading a most interesting book and I can t leave it he replied besides sissie is quite as well or better qualified than I am to show off the grounds I never notice anything Come on Annie said I taking her hand Frank is in love No I m sure he never thinks of a girl except his sisters was the reply We were now out of earshot in a shady walk so I went on a little more freely But surely you coz are in love if he is not I can tell it by your liquid eye and heaving bosom A scarlet flush shot over her features at my allusion to her finely moulded bosom but it was evidently pleasing and far from offensive to judge by her playfully spoken Oh Walter for shame sir We were a good distance away by this time and a convenient seat stood near so throwing my arms around the blushing girl I kissed her ruby lips and drawing her with me said Now Annie dear I m your cousin and old playfellow I couldn t help kissing those beautiful lips which I might always make free with when we were little boy and girl together now you shall confess all before I let you go But I ve nothing to confess sir Do you never think of love Annie Look me in the face if you can say it s a stranger to your bosom putting my hand familiarly round her neck till my right hand rested on one of the panting globes of her bosom She turned her face to mine suffused as it was by a deeper blush than ever as her dark blue eyes met mine in a fearless search of my meaning but instead of speaking in response to this mute appeal I kissed her rapturously sucking in the fragrance of her sweet breath till she fairly trembled with emotion It was just beginning to get dusk my hands were caressing the white firm flesh of her beautiful neck slowly working their way towards the heaving bobbies a little lower down at last I whispered What a fine what a lovely bust you have developed since I saw you last dear Annie you won t mind your cousin will you when everything used to be so free to each other besides what harm can there be in it She seemed on fire a thrill of emotion seemed to shoot through both of us and for several moments she lay almost motionless in my arms with one hand resting on my thigh Priapus was awake and ready for business but she suddenly aroused herself saying We must never stop here let us walk round or they will suspect something
