William Walton:

The Music of William Walton Frank Howes, 1947 William Walton Carolyn J. Smith, 1988-11-21 This bio bibliography of one of the most important contemporary British composers begins with a brief biographical sketch. Works and first performances are listed alphabetically by title and each entry is followed by the relevant bibliographic citation numbers. The discography includes sound recordings in all formats. The major portion of the work, the bibliography, is divided into articles and reviews, books, theses and dissertations, articles by Walton, and films. The archival section lists collections of Walton's music manuscripts, letters, and miscellanea. Two appendices contain a chronological listing of works and first performances and a works list arranged by classification. An index of individuals and performance ensembles completes the work, which will serve as a significant addition to university libraries and departments of music.

William Turner Walton 1902-1983 was born in Oldham, England. He showed an early talent for composition and had written several significant works by 1916. Following his failure to graduate from Oxford, Walton took up residence with the Sitwell family in Chelsea and embarked upon one of the most productive phases of his career. Acclaimed as a milestone in British choral music, *Belshazzar's Feast* premiered in 1931, and its instant success established Walton firmly among the ranks of important contemporary British composers. Subsequently, Walton began work on his *Symphony No. 1* and simultaneously wrote his first film score, one of many first-class scores he composed for movies, including *As You Like It*, *Henry V*, and *Chekhov's Three Sisters*. Walton traveled to Argentina in 1948, where he met and married his wife, Susana. The couple returned to London but soon relocated to a villa on Ischia, an island off the coast of Naples. Another fruitful period ensued, marked by many important commissions. The composer died in 1983, and a foundation was later established for the purpose of transforming the villa into a performing arts center.

The History of Pittsylvania County, Virginia Maud Carter Clement, 1973 The book rings with the names of early inhabitants and prominent citizens. For the genealogist, there is the important and wholly fortuitous list of tithables of Pittsylvania County for the year 1767, which enumerates the names of nearly 1,000 landowners and property holders amounting in sum to a rough census of the county in its infancy. Additional lists include the names, some with inclusive dates of service, of sheriffs, justices of the peace, members of the House of Delegates, 1776-1928; members of the Senate of Virginia, 1776-1928; clerks of the court and judges. A History of Blackburn, Town and Parish William Alexander Abram, 1877

A National Register of the Society, Sons of the American Revolution Sons of the American Revolution, 1902 **All of the Above I** Richard Baldwin Cook, 2008 A history of the ancestry of Elizabeth Huey Taylor Cook, tracing various genealogical lines more than four hundred years. Individuals and couples are placed in their historical context, showing their participation in the events of their time: Revolutionary War, Civil War, early settlements in Massachusetts, Virginia, and Kentucky. Special attention is given to the role of various ancestors in the Indian wars of the 1600s and 1700s. Many details about the families' ownership of slaves are included. Various individuals' participation in church and community activities from

the earliest colonial settlements to and including the 20th century are also covered The main surnames which are treated include TAYLOR HUEY MOORE CROUCH MAYO BALDWIN SCOTT DAWSON PUTNAM PORTER HAWTHORNE DOYNE WHARTON STONE WINSTON GAINES WATTS GOUGE GRAVES WILLIAMS HUNT JEWETT JUETT MASON PENDLETON GAMEWELL SWAINE PARSONS BOOTH WOODBURY DWIGHT WALTON MAVERICK HARRISON LYTTLETON VALLETTE MARMADUKE A total of about 120 surnames are traced

William Walton Neil Tierney, 1984 Sir William Walton's character was both complex and baffling Although hailed as one of the musical giants of the twentieth century he often seemed to regard his own achievements with a brooding unease and scepticism He could by turns be aggressive or gentle moody or high spirited with a satirical humour that spared neither his friends nor his enemies In his younger days he loved two beautiful aristocratic women one a German baroness the other a chatelaine of English society yet he was born of middle class parents in Oldham and until the Sitwells adopted him knew little of the glittering sophisticated world which they inhabited In the realm of music he was largely self taught and remained all his life an indifferent performer on the piano but his technical brilliance in such works as *Belshazzar's Feast* and the *Violin Concerto* rivalled that of the greatest masters of the art Although he made no attempt to create a new compositional style or language his music spiced by harmonic asperities and many ingenious touches came to be regarded as belonging to the European mainstream At its best it was never less than magnificent The need for a

carefully researched and clear sighted biography of Walton cannot be exaggerated Neil Tierney has provided one giving a vivid often extremely moving portrait of Sir William as composer and man His book draws upon a wide range of material including previously unpublished letters some written by Walton himself and the reminiscences of friends and collaborators who knew him intimately With its comprehensive analyses of all Walton s works this book will not only captivate the general reader but also provide a valuable source of information for the musical scholar or student Dust jacket *The John Divine Jones Fund Series of Histories and Memoirs* ,1922 *Record of failures and liquidations in the financial, international, wholesale and manufacturing branches of commerce ... in the United Kingdom ... 1865 to ... 1876. 1865 to 1884* Richard Seyd,1885 **Notes for Violists** David M. Bynog,2021 Notes for Violists A Guide to the Repertoire offers historical and analytical information about thirty five of the best known pieces for the instrument making it an essential resource for professional amateur and student violists alike With engaging prose supported by fact filled analytical charts the book offers rich biographical information and insightful analyses that help violists gain a more complete understanding of pieces like B la Bart k s Concerto for Viola and Orchestra Rebecca Clarke s Sonata for Viola and Piano Robert Schumann s M rchenbilder for Viola and Piano op 113 Carl Stamitz s Concerto for Viola and Orchestra in D Major Igor Stravinsky s l gie for Viola or Violin Unaccompanied and thirty other masterpieces This comprehensive guide to key pieces from the viola repertoire from the eighteenth through the twentieth century covers concertos chamber pieces and works for solo viola by a wide range of composers including Bach Telemann Mozart Hoffmeister Walton and Hindemith Author David M Bynog not only offers clear structural analyses of these compositions but also situates them in their historical contexts as he highlights crucial biographical information on composers and explores the circumstances of the development and performance of each work By connecting performance studies with scholarship this indispensable handbook for students and professionals allows readers to gain a more complete picture of each work and encourages them to approach other compositions in a similarly analytical manner **The English Reports: Nisi Prius (1688-1867)** ,1928 *Lineage Book of the Charter Members of the Daughters of the American Revolution* Daughters of the American Revolution,1926
