[Do It Yourself Microsoft Windows ME](#) Bjoern-Erik Hartsfvang, 2000 Written in a light consumer friendly voice for beginners this book points out the new and cool editions of the latest consumer version of Windows Millennium Edition The author's close relationship with the software development team and rigorous testing of the content make this title the definitive resource for insider tips and tricks

**Microsoft Windows Me For Dummies** Andy Rathbone, 2000-07-26 Microsoft Windows Me For Dummies boils down to this simple fact Some people want to be Windows wizards They sit in front of their computers randomly pressing keys hoping to stumble onto a hidden undocumented feature And you Well you're no dummy that's for sure But when it comes to Windows and computers the fascination just isn't there You just want to get your work done feed the cat and relax for a while And there's nothing wrong with that That's where this book comes in Instead of becoming a Windows Me expert you'll know just enough to get by quickly cleanly and with a minimum of pain so that you can move on to the more pleasant things in life Don't try to read this book in one sitting Instead treat it like a dictionary or an encyclopedia Turn to the page with the information you need then put down the book and move on Don't bother trying to remember all the Windows Me buzzwords leave that stuff for the computer gurus In fact if anything technical comes up in a chapter a road sign warns you well in advance That way you can either slow down to read it or speed on around it You won't find any fancy computer jargon in Microsoft Windows Me For Dummies Instead you'll find subjects

like these discussed in plain old English Why did they choose a dumb name like Windows Me Finding the file you saved yesterday Moving those little windows around on the screen with the mouse Making Windows Me run a little better Performing chores in Windows Me that you used to do in older versions of Windows Starting and closing programs by clicking the mouse button In Microsoft Windows Me For Dummies there s nothing to memorize and nothing to learn Just turn to the right page read the brief explanation and get back to work Unlike other books this one enables you to bypass the technical hoopla and still get your work done

**Windows Me Annoyances** David Karp,2001-03-26 In an ideal world an operating system is a collection of software that handles a computer s dirty work invisibly quickly and most of all painlessly For many of us however Microsoft Windows exists outside this ideal world We are annoyed by personalized Menus that keep changing icons we don t use cluttering up our workspace periodic crashes unintelligible error messages and inadequate documentation to help us figure it all out Windows Me Annoyances has the insider information you need for overcoming Windows many annoyances and limitations Whether you re looking to finally solve a nagging problem dramatically improve system performance or customize the interface to better suit your work habits the Windows Me Annoyances solution oriented format makes finding information and implementing solutions easy and pain free Thanks to the thorough and relevant documentation on the registry Windows Scripting Host and Windows built in networking capabilities customizing and improving Windows Me is easier than ever Based on the author s extremely popular Annoyances.org web sites Windows Me Annoyances delivers an authoritative collection of techniques and tools for customizing Windows Me including Several approaches and hidden tools for working with the Windows registry the database of system and application specific configuration information How to bypass Windows roadblocks such as the Home Networking and System Restore wizards allowing you to take control of the processes quickly and painlessly A tutorial and reference on automation with the Windows Scripting Host as a means of eliminating many Windows Me annoyances Using third party software and utilities to handle some of the more complex workarounds and customizations Dealing with software that overwrites your file associations and other settings without warning Windows Me Annoyances is the intermediate and advanced Windows user s best resource for turning Windows into the user friendly customizable interface it was meant to be but doesn t always manage to be on its own

*MORE Microsoft Windows Me For Dummies* Andy Rathbone,2000-09-05 There s more to Windows than file management and double clicking There are plenty of new features in Windows Me Edition sure to appeal to users who are ready to move beyond Windows basics *MORE Microsoft Windows Me Edition For Dummies* uses the same friendly and informative style that made Windows For Dummies an international best seller to show you how to handle additional Windows tasks Author Andy Rathbone clues you in on Windows tricks like customizing icons creating a Windows Web page handling advanced multimedia features adding helpful Windows software and removing files and programs that clutter up your hard drive He also covers the fun new features of Windows Me Edition like the online games Movie Player and My Pictures multimedia tool
