Latest Work From Home Setup:

At Home With Work Nyla Naseer, 2023-04-26 Remote and Hybrid Making it Work Remote and hybrid work environments have boomed in number however understanding on how to manage remote and hybrid work is still in its infancy We need better guidance on the impact of remote working on behavior organizational culture and wellbeing so that remote working models are optimized for success At Home with Work provides this understanding and guidance This book explains the background of remote work how technology and a changing society created the perfect backdrop to mass adoption of fully remote and hybrid work It shows how what started as an emergency response to COVID became the biggest global change to working arrangements in living memory and shifted our expectations about work itself The author investigates how remote and hybrid work has moved the dynamic away from ego driven office culture and towards higher trust and collaborative working This book is a carefully considered overview and introduction to wider changes in the field of work and the global labor market
