You'll also find that throwing out a few garbage bags feels even better than therapy. Why do you hold onto things? Here are just some of the reasons: Security but the paradox is that the more we cling the more frustrated and overwhelmed we feel. Addiction shopping is a high and the novelty wears off. Approval keeping material representations of who we are is one way we show off. Identity we identify with what we own so that's why we're upset when something is stolen or broken. Open ourselves up to new opportunities and relationships. See your home your life for what they really are. Need less and do more. Cultivate meaningful relationships. Be more in tune with yourself in a meditative space. Stop shopping as a form of therapy. Stop wasting money. Restore clarity. **FIND WHAT YOU REALLY VALUE**. While it does not place importance on material things and lavish living minimalism is also not about denying yourself of the things you need.
