When the Devil Visits Mechelle McDermott,2013-09 She was barely sixteen when she saw the police car in her driveway after coming home from school What happened next would open the door to tragedy for generations to come When the Devil Visits is a riveting memoir of survival and resilience when the author fights back against tremendous odds to rebuild her life from the damaging effects of four family suicides Years later when her mother dies she is forced to deal with the overwhelming burden of forgiveness from years of systematic abuse and sociopathic behavior Mechelle emerges from the dysfunction that trapped her siblings and becomes determined not to repeat the patterns of abuse Her optimism is remarkable and contagious The author shares what empowered her to rise above the daunting suffering by constructing a life plan as a teenager and implementing patterns from successful families with whom she comes in contact If you know someone who is dealing with the loss of a loved one through suicide a broken family or struggling with forgiveness you don t want to miss this empowering book of the year Through her unique perspective she shares with the reader the incredible value of human life and the value of mortality as light and dark converge and humanity triumphs The book is hard to put down you won t be disappointed A modern visit from the devil One in Babylon (pseud.),1849 The Believer's Daily
