THE DARK BACKWARD

The Dark Backward

Tobias Bleicker

The Dark Backward:

Shakespeare as Prompter Murray Cox, Alice Theilgaard, 1994 Prompting is the thematic thread that pervades the pages of this book. Its primary connotation is that of the prompter who is urgently called into action at moments of anxiety when narrative begins to fail. The central dynamic issue concerns the amending imagination as a prompting resource which through creativity and the aesthetic imperative can be invoked in this therapeutic space when the patient through fear, resistance, or distraction is unable to continue with his story. Psychotherapy can be regarded as a process in which the patient is enabled to do for himself what he cannot do on his own. Shakespeare as the spokesman for all other poets and dramatists prompts the therapist in the incessant search for those resonant rhythms and mutative metaphors which augment empathy and make for deeper communication and which also facilitates transference interpretation and resolution. The cadence of the spoken word and the different laminations of silence always call for more finely tuned attentiveness than the therapist unprompted can offer. The authors show how Shakespeare can prompt therapeutic engagement with inaccessible patients who might otherwise be out of therapeutic reach. At the same time they demonstrate that the clinical off-stage world of therapy can also prompt the work of the actor in his on-stage search for representational precision. **In the Dark**

Backward Henry Woodd Nevinson, 1934 *Doing Shakespeare* Simon Palfrey, 2014-10-25 A thoroughly revised edition of the successful student text *Doing Shakespeare* first published in 2005. The revised edition introduces a new way of approaching Shakespeare's text through ideas of performance and the actor's role and restructures the content to make it easier to navigate. **In the Dark Backward (Byron, Goethe, Etc.)** Henry W. Nevinson, 1973-01-01 *A New Variorum Edition of Shakespeare: The Tempest. 1892* William Shakespeare, 1920 **The Tempest** William Shakespeare, 1903

American Horror Film Reynold Humphries, 2019-07-31 The American Horror Film is the first overview of this popular genre. It moves from *Dracula* in 1931 to contemporary films such as *Scream* and *The Sixth Sense*. The various characters that recur in horror films: *Dracula*, *Frankenstein*, *Dr. Jekyll*, *the Mummy*, *the Werewolf* are discussed as are repeated themes such as the mad scientist, nuclear anxiety, psychological monsters, the living dead, and slasher movies. Key directors including Jacques Tourneur, David Cronenberg, Roger Corman, and Joe Dante are covered. The emphasis is on accessibility while theory is included through reference to gender and politics, women's studies, and psychoanalysis. It is introduced carefully and in direct relation to the films being discussed. No prior knowledge of the subject area is assumed. An extensive filmography is included and reference is made at the appropriate point to the most pertinent writing on horror. Overall, this is an ideal introduction to the area for all students and general readers interested in the American horror film. Key Features: Includes 10 film stills. Covers major films such as *King Kong*, *Little Shop of Horrors*, *Psycho*, *The Exorcist*, *The Omen*, and *I Know What You Did Last Summer*. Only up-to-date textbook on the subject.
