they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess Because they show that  
the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment Because  
they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern  
scholarship the authors of the international bestseller *The Jesus Mysteries* decode the secret teachings of the original  
Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they  
actually taught In addition the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings  
of Christian mysticism which promise happiness and immortality to those who attain the state of Gnosis or enlightenment
