The Devil In Babylon:

The Watchtower ,1926 **Zion's Watch Tower and Herald of Christ's Presence** ,1930 Exposition of the Apocalypse Tyconius (Afer),2017 The Exposition of the Apocalypse by Tyconius of Carthage fl 380 was pivotal in the history of interpretation of the Book of Revelation While expositors of the second and third centuries viewed the Apocalypse of John or Book of Revelation as mainly about the time of Antichrist and the end of the world in the late fourth century Tyconius interpreted John s visions as figurative of the struggles facing the Church throughout the entire period between the Incarnation and the Second Coming of Christ Tyconius s ecclesiastical reading of the Apocalypse was highly regarded by early medieval commentators like Caesarius of Arles Primasius of Hadrumetum Bede and Beatus of Liebana who often quoted from Tyconius s Exposition in their own Apocalypse commentaries Unfortunately no complete manuscript of the Exposition by Tyconius has survived A number of recent scholars however believed that a large portion of his Exposition could be reconstructed from citations of it in the aforementioned early medieval writers and this task was undertaken by Monsignor Roger Gryson Gryson s edition a reconstruction of the Expositio Apocalypseos of Tyconius was published in 2011 in Corpus Christianorum Series Latina The present translation of that reconstructed text with introduction and notes exhibits Tyconius s unique non apocalyptic approach to the Book of Revelation It also shows that throughout the Exposition Tyconius made use of interpretive rules that he had laid out in an earlier work on hermeneutics the Book of Rules strongly suggesting that Tyconius wrote his Exposition as a companion to his Book of Rules Thus the Exposition served as an exemplar of how those rules would apply to interpretation of even the most intriguing of biblical texts the Apocalypse *Outlook* Alfred Emanuel Smith,Francis Walton,1886 *What God Hath Wrought* Charles Holm,1912 Revelations Celia Sprinkle Jackson,2008-11-26 Celia Jackson began her search for the truth in July of 1987 Her journey challenged her significantly while ultimately leading her to the world of supernatural phenomenon In her book Revelations Ms Jackson unmask the spiritual theocracy of the gods sickness disease lies oppression crime addictions and deception Her discovery is supported by scripture from the Holy Bible with interpretation through the use of Websters dictionary Ms Jacksons studies point empirically to the true and living GOD through Christ Jesus under the leadership and guidance of the Holy Spirit
