The Huna Code In Religions:

The Huna Code In Religions Max Freedom Long,2015-01-09 In the year 1953 the presence of coded Huna information in the Bible was discovered Since that time the research work has progressed with a number of additional pieces of coded information uncovered This book gives not only the later findings but further expands the study to show similar coded information in the religions of the ancient Egyptians Israelites Buddhists and practitioners of Yoga The complete investigation of the Bible and Gnostic literature has not yet been finished and the reader who wishes to do so may carry on for himself without much difficulty once this book has been read and the research method is understood Yesterday the unveiling of the coded knowledge would have been countered by the Church with burnings and any torture needed for the suppression of heresy Today happily even the humblest Galileo is able safely to take up his telescope and peer into the realms of the new and strange and still forbidden From the Forward Get Your Copy Today [The Huna Code in Religions](#) Max Freedom Long,1988 *The Huna Code in Religions* Max Freedom Long,1865 [The Huna Code in Religions. \(A Report on the Rediscovered Mystery Teachings Underlying Christianity, Yoga and Buddhism.\)](#) Max Freedom LONG,1965
