The Hundred Days To Hitler:

Hitler's First Hundred Days Peter Fritzsche,2020-03-17 This unsettling and illuminating history reveals how Germany's fractured republic gave way to the Third Reich from the formation of the Nazi party to the rise of Hitler Amid the ravages of economic depression Germans in the early 1930s were pulled to political extremes both left and right Then in the spring of 1933 Germany turned itself inside out from a deeply divided republic into a one party dictatorship In Hitler's First Hundred Days award winning historian Peter Fritzsche offers a probing account of the pivotal moments when the majority of Germans seemed all at once to join the Nazis to construct the Third Reich Fritzsche examines the events of the period the elections and mass arrests the bonfires and gunfire the patriotic rallies and anti Jewish boycotts to understand both the terrifying power the National Socialists exerted over ordinary Germans and the powerful appeal of the new era they promised Hitler's First Hundred Days is the chilling story of the beginning of the end when one hundred days inaugurated a new thousand year Reich

Hitler's War in the East, 1941-1945 Rolf-Dieter Müller,Gerd R. Ueberschär,1997 There is still a widespread assumption that the Second World War was won in the West when in fact the tide was first turned on the Eastern front This book written by two internationally known experts on the subject argues that Hitler's Ostkrieg was the central event of the global conflict between the Allies and the Axis powers However this is much more than a traditional military political history it deals with Nazi crimes and economic exploitation with the psychological war No less significantly this volume provides a guide to the

extensive literature on the war in the East including largely unknown Soviet writing on the subject Indispensable for military historians but also for all scholars who approach this crucial period in world history from a socio economic or cultural perspective **Words on the Air, 1938-1945 ...** Henry Wickham Steed,1946
