The Hunting Dark:

The Hunting Dark Lynn Hightower,2024-05-07 The house is waiting In the Amish countryside of Kentucky there is a house Everyone knows about it They whisper about the things that happen there Creepy things Terrible things It would be better if they shouted Run Six weeks ago fragile mother of two Pammie LaRue moved in with her beloved partner Conor They ignored the knocks on the walls Whispering voices Water pooling with no obvious leak Eight days ago Conor went missing without a trace Unless you count the drag marks in the crawl space under the house Neurosurgeon Noah Archer doesn't believe in ghosts and demons and haunted houses he knows from terrible experience just how real they are But despite his work with the Enlightenment Project which pits cutting edge scientific research against the darkness he's no exorcist Still when Pammie pitches up on his doorstep late one night children in tow Noah helps He enters the house But in doing so he's made a terrible mistake Because once the darkness has its claws in you it won't let go Did you know that demonic possession is a recognized psychiatric condition The gripping sequel to *The Enlightenment Project* is a terrifying blend of horror and real life science that will keep you turning pages and keep you from sleeping Read it if you dare **The Hunt Part 1 --**

Echoes from the Dark Theodore Marquez,2011-09-01 A killer known as The Butcher is terrorizing Denver His targets are thought to be Hispanic white gay couples in the beginning That was until Jack Webber a single white man shows up butchered like the others **On the Hunt** Alexandra Ivy,Rebecca Zanetti,Dianne Duvall,Hannah Jayne,2015 Phantom embrace Immortal Yuri Sokolov was born with the ability to see spirits yet he's never seen one as lovely as Cat Seddon the woman who haunts his home and his dreams But amid their star crossed love a new danger may have Yuri facing a different kind of eternity *The Hunter* Johnny Morice,2014-08-15 Brogan wasn't too sure what he was going to do next but he did know he was going to fight till there was nothing left He was a changed man now His mother had known of the potential beast lurking inside him since he was a boy She had always hoped that if for some reason this part of him was unleashed it would be harnessed somehow and directed towards good things and helping people Sadly those who interfered with Brogan's new perspective on life would witness true savagery first hand He was not one to be messed with But now his pain and hate combined with his amazing strength and abilities would create something no one could ever fathom His loss that one act of horrific and devastating violence had created a force in him that was comparable only to nightmares The force was still not fully known even to himself but it was growing stronger and angrier by the day with more reason to fear it It was a force that was even more powerful and terrifying than love itself and there would be no stopping or controlling him now Before Brogan was a man with a beast lurking inside him waiting to be released Now he was a beast within a beast trying to break free

Hunters, Predators and Prey Frédéric Laugrand, Jarich Oosten,2014-10-01 Inuit hunting traditions are rich in perceptions practices and stories relating to animals and human beings The authors examine key figures such as the raven an animal that has a central place in Inuit culture as a creator and a trickster and qupirruit a category consisting of insects

and other small life forms After these non social and inedible animals they discuss the dog the companion of the hunter and the fellow hunter the bear considered to resemble a human being A discussion of the renewal of whale hunting accompanies the chapters about animals considered prey par excellence the caribou the seals and the whale symbol of the whole By giving precedence to Inuit categories such as inua owner and tarniq shade over European concepts such as spirit and soul the book compares and contrasts human beings and animals to provide a better understanding of human animal relationships in a hunting society
