The Hunting Wind Steve Hamilton,2001 The calendar said April but April in Paradise is still cold enough to hurt you Alex McKnight is sipping a Canadian beer in the Glasgow Inn when Randy Wilkins a left handed pitcher from his baseball days in Detroit turns up out of the blue Finally he gets to the point Randy s in love with a girl called Maria and wants to find her The only problem being that he last saw her thirty years ago It s a test of friendship to say the least and at first Alex can t think of anything worse But loyalty gets the better of him and together Alex and Randy go back to Detroit where they played baseball together and where as a police officer Alex got shot The bullet is still lodged in his chest Their search for Maria leads them back to the past a strange country which is unsavoury for Randy and painful for Alex The Ojibwa Indian tribe call a driving wind from the north a hunting wind in this case the hunt for Randy s lost love and Alex s lost life
