## **The Improbable Cat:**

*The Improbable Cat* Allan Ahlberg, 2009-04-02 It all begins when David's family takes in a stray kitten. At least that's what the creature appears to be. But David and his faithful dog Billy immediately sense something terribly amiss. Then indeed something crazy, impossible, horrific happens. [The Dog with the Old Soul](#) Jennifer Basye Sander, 2012-07-24 27 stories by 25 contributors share their heart-warming experiences with a variety of animals.

**The Mysteries of Monkey Island** Nicolas Deneschau, 2023-10-31 That was the only target set for those 20 or so young, ambitious, hilarious, and unkempt creators. Lucasfilm Games™ soon to be LucasArts™ would become a legendary developer, not least because it was within its walls that *The Secret of Monkey Island™* was created in 1990. The best-known of the Point-and-Click adventure games, *Monkey Island* earned its reputation from its world of colorful, delightfully anachronistic pirates, its trademark Monty Python-style humor, and quite simply the fact that it revolutionized a genre. This book is an homage to the adventures of Guybrush Threepwood™, pirate extraordinaire. But it also aspires quite ambitiously to explain why *Monkey Island* marks a pivotal milestone in the way stories are told through video games. It's also an opportunity to look back at the tumultuous history of LucasArts and Telltale Games, to discover some voodoo grog recipes, to learn interactive pirate reggae songs to impress at a party of 40-year-old geeks, and to discover one liners as sharp as a cutlass, great for duels and birthdays.

**True Tales of Kitty Love** Jo Coudert, Jennifer Basye Sander, 2021-01-18 A heartwarming collection of stories about the cats and the lives they've touched around them, previously published in the anthology *The Little Book of Puppy Love*. Sometimes animals come into our lives just when we need them most. In these true stories about the powerful connections between people and their cats, Jo Coudert and Jennifer Basye Sander uncover the simple joys of loving and being loved by our favorite feline companions. In this book, you'll meet the lost cat who comforts a grieving woman, the orange tabby with psychic abilities, the purring kitten rescued from a freeway overpass, the litter of strays who made cat people out of their resistant owners, and many, many more. These animals don't just bring us comfort; they save our lives. Coudert and Sander celebrate the everyday miracles that happen when we form bonds with animals. This new edition combines charming stories into a perfect collection for anyone who melts at every kitty meow.

**of the Carmarthenshire Antiquarian Society and Field Club ...** Carmarthenshire Antiquarian Society and Field Club, 1910 **The Avicultural Magazine**, 1902 [Puffin by Design](#) Phil Baines, 2010 Late in 1939 a chance meeting between Penguin founder Allen Lane and natural history publisher Noel Carrington changed the future of children's publishing with the formation of a series called Puffin Picture Books. The first four titles appeared in 1940 and the series quickly established a reputation for presenting children's non-fiction in a unique blend of editing and design. Puffin Story

Books soon followed with the publication of *Worzel Gummidge* in 1941 and like the original launch of Penguin itself these story books appeared in the three horizontal stripe design Looking back at seventy years of Puffin paperbacks Phil Baines charts the development of Puffin and the role of illustrators and designers in creating and defining the identity of the Puffin list from the very first picture book through to modern day Rich with stunning cover and inside illustrations and filled with detail of individual titles Phil discusses the changes in typography illustration and printing techniques over Puffin s spectacular 70 year history An extraordinary and beautiful book this is a perfect companion to *Penguin By Design*
