## **The Informant:**

The Informant Kurt Eichenwald, 2001-07-03 From an award winning New York Times investigative reporter comes a gripping account of one of the most captivating and bizarre tales in the history of the FBI and corporate America It was one of the FBI's biggest secrets Mark Whitacre a senior executive at Archer Daniels Midland America's most politically powerful corporation became a confidential government witness Putting his career and family at risk Whitacre along with a small team of agents tapped into secrets at ADM that led the FBI to discover the company's scheme to steal millions of dollars from its own customers But as the FBI and federal prosecutors closed in on ADM they suddenly found that everything was not all that it appeared While Whitacre was cooperating with the Feds and playing the role of loyal company man he also had his own agenda Whitacre became sucked into his own world of James Bond antics imperiling the criminal case and creating a web of deceit that left the FBI and prosecutors uncertain where the lies stopped and the truth began Meticulously researched and richly told The Informant re-creates the drama of the story beginning with the secret recordings stakeouts and interviews with suspects and witnesses to the power struggles within ADM and its board including the high profile chairman Dwayne Andreas F Ross Johnson and Brian Mulroney to the big gun Washington lawyers hired by ADM and on up through the ranks of the Justice Department to FBI Director Louis Freeh and Attorney General Janet Reno A page turning real life thriller that features deadpan FBI agents crooked executives idealistic lawyers and shady witnesses with an addiction to intrigue The Informant tells an important and compelling story of power and betrayal in America

The Process of Investigation Charles A. Sennwald, John Tsukayama, 2014-12-30 The Process of Investigation Fourth Edition addresses the needs of today's private sector investigative professional by providing a full spectrum treatment of the investigative process from case inception and investigative strategy selection to executing complex investigative techniques to creating reports useful for corporate legal and prosecutorial purposes Continuing in the tradition of its previous editions The Process of Investigation Fourth Edition covers essential topics overlooked in books on the public aspects of investigation Investigative skills such as surveillance techniques interviewing and interrogation collecting and documenting evidence and taking confessions and written statements are all discussed and supplemented with updated case studies and examples from the authors own professional experiences Teaches the fundamentals of the investigative process and serves as a valuable reference tool for both the student and the professional Experienced professionals can brush up on seldom used specialty skills and reconsider existing methods and approaches Includes a new chapter on discrimination investigations
