**William Lee (D.D., Archdeacon of
Dublin.)**

The Inspiration Of Christ:

The Inspiration of Holy Scripture William Lee, 1857 **Biblical Inspiration and Christ** Marvin R. Vincent, 1894

The Inspiration of Scripture Paul J. Achtemeier, 1980 Christians generally agree that the Scriptures are inspired and that this doctrine is of basic importance But how is the doctrine of inspiration to be understood and what does it mean for our Christian faith Paul Achtemeier shows how recent knowledge of the way the Scriptures were formed raises problems in regard to the traditional understanding of inspiration In response he presents possibilities for a new approach to inspiration that is compatible with recent critical discoveries and allows the Bible to continue to play a meaningful role He deals with liberal and conservative views specific contradictions in the Bible and what the Bible says about itself A perceptive study The Inspiration of Scripture proposes a view of inspiration that makes sense for today and probes its implications for the believer and the believing community *The inspiration of holy Scripture, 8 discourses* William Lee, 1882 *The Inspiration of Holy Scripture, Its Nature and Proof: Eight Discourses ...* William Lee (D.D., Archdeacon of Dublin.), 1854 *The Inspiration of Christ* Lawrence R. Braszo, 1999-04 **Revelation and Inspiration** James Orr, 1910 This volume is written under the conviction that revelation and inspiration in connection with the Bible can only be defended in conjunction with a more positive view of the structure of the Bible itself than is at present prevalent The three things imply each other a positive view of the structure of the Bible the recognition of a true supernatural revelation in its history and a belief in accordance with the teaching of Christ and His apostles in the inspiration of the record The evidence for each of these three things yields support to faith in the other two The critical appreciation of the Bible is helped by the recognition of the revelation contained in it and of the character of inspiration attaching to the book which is the vehicle of the revelation The revelation sustains faith in inspiration and vice versa From the unity of the three aspects results the conception of a Holy Scripture Preface The Divine Inspiration of the Bible Arthur Pink, 2020-07-15 Christianity is the religion of a Book Christianity is based upon the impregnable rock of Holy Scripture The starting point of all doctrinal discussion must be the Bible Upon the foundation of the Divine inspiration of the Bible stands or falls the entire edifice of Christian truth If the foundations be destroyed what can the righteous do Psalm 11 3 Surrender the dogma of verbal inspiration and you are left like a rudderless ship on a stormy sea at the mercy of every wind that blows Deny that the Bible is without any qualifications the very Word of God and you are left without any ultimate standard of measurement and without any supreme authority It is useless to discuss any doctrine taught by the Bible until you are prepared to acknowledge unreservedly that the Bible is the final court of appeal Grant that the Bible is a Divine revelation and communication of God s own mind and will to men and you have a fixed starting point from which advance can be made into the domain of truth Grant that the Bible is in its original manuscripts inerrant and infallible and you reach the place where study of its contents is both practicable and profitable This book is an important study on the Word of God and its divine inspiration *On the Inspiration of the Holy Scripture* Christopher Wordsworth, 1854 **The**

Inspiration and Truth of Sacred Scripture, 2014 Formally approved by Pope Francis this present work is the contribution of the Pontifical Biblical Commission toward a more adequate understanding of the concepts of inspiration and truth that respects both the nature of the Bible and its significance for the life of the Church Drawing on a close reading of the Scriptures themselves the document focuses on three main aspects 1 The inspiration of Sacred Scripture and the exploration of its divine provenance 2 The truth of the Word of God emphasizing the message about God and his project of salvation 3 Challenges that arise from the Bible itself on account of certain aspects that seem inconsistent with its quality of being the Word of God

The Disciple of Christ, 1884 **The Creed of the Christian** Charles Gore, 1895 **A Sequel to "The Westminster Doctrine of the Inspiration of Scripture."** **Letters to Marcus Dods, D.D.** Hugh Martin, 1877 *Christ the Vitalizing Principle of Christian Theology* William Adams Brown, 1898 **The Journal of Christian Philosophy**, 1884 Includes American Institute of Christian Philosophy Proceedings of the American Institute of Christian Philosophy

The Inspiration of the Bible: five lectures, etc Christopher Wordsworth, 1875 **The Inspiration of God** Dr. Allen K. Hand Sr., 2022-05-04 Firstly the objective of that research was to assess the actions of the Civil Rights and the Progressive National Baptist Convention Inc PNBC movements Based on 37 returns to a questionnaire of 39 reduced to 24 identified key criteria emailed to 158 persons across the country with forwarding permission 92% of the respondents indicated that they either agreed or strongly agreed that the actions of the Civil Rights and PNBC movements were inspired of by God Additionally this research identified some serious concerns and issues that each movement mainly PNBC has to address if each will continue to exist survive Secondly the objective of that research was to document our history through our struggles through our pains and gains through our good times and bad times through the ups and the downs in other words good bad or indifferent it is what it is our story his story not their story Rev Dr Herbert D Daughtry Sr constantly admonished us to make history to interpret history and to record history or something to that effect and not necessarily in that order When we do not do it ourselves in an accurate precise truthful etc manner then others will tell their story which nine out of ten times usually is not accurate precise truthful etc The old prophet acclaimed And the LORD answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 Thirdly and lastly the objective of that research was to share information that we do not want to be locked in our minds only to take it to the so called grave Many persons who were super knowledgeable as I define it about so many things that could have blessed the world took that super valuable information to the grave what a tremendous lost As an aside the lost is on multiple levels Level one we lost them Level two we lost what they did not share with us while they were alive Level three we lost the value of that buried information That is someone could have taken that information and transformed it to new information For example Dr Gabriel A Oyibo solved the Unified Field Theorem that Albert Einstein did not live long enough to solve So many things evolved from solving that equation Just think what would have happened to those many things that evolved from solving that equation if Dr Oyibo would not have

solved that theorem All those many things that evolved from solving that equation would not be in existence Level four those persons who took from those many things that evolved from solving that equation and incorporated that value into what they were doing Etc etc etc The number of these levels conceivably and theoretically approaches infinity That is there is no end to the theoretical lost when just one person does not bless the world with their knowledge wisdom and understanding

Inspiration, 8 lects. on the doctrine of biblical inspiration.
