The Naked Liar:

The Naked Liar Harold Adams, 1986 **Liar's Beach** Katie Cotugno, 2023-05-02 The New York Times bestseller A new take on Agatha Christie's classic murder mystery *The Mysterious Affair at Styles* with iconic detective Hercule Poirot recast as a brilliant brash teen girl named Holiday and narrated by her childhood friend Linden an athlete scholar who fits right in at his elite prep school all the while hiding some secrets of his own Linden knows he doesn't belong in elite Martha's Vineyard But when his prep school roommate Jasper invites him to spend the end of the summer at August House his family's massive beachfront estate Linden tries to fit in It's not hard after all he's been lying for years And he's not the only one Everyone at August House is ready for a wicked good time So when someone is found unconscious in the pool after a night of partying it's quickly labeled an accident But Linden begins to wonder As does Holiday Linden's childhood friend and the only person on the island who knows the truth about his humble background There's nothing Holiday loves more than a mystery and she's convinced there's a killer on the Vineyard And now it's up to them to figure out who Pulse pounding PW Scorching Kirkus Reviews *Liar's Moon* Heather Graham, 2013-04-23 DIV Can true love prevail over seven long years apart DIV divDIV Wild and youthful Tracy Kuger seduces her father's band mate Leif Johnston into a whirlwind affair But when her controlling family finds out they pull the lovers apart and whisk Tracy away to Switzerland never to see Leif again That is until seven years later when a sudden tragedy forces them back into each other's lives Is it possible for the past to stay buried divDIV divDIV This ebook features an illustrated biography of Heather Graham including rare photos from the author's personal collection divDIV div div *Pathfinder Tales: Liar's Blade* Tim Pratt, 2015-08-18 With strength wit rakish charm and a talking sword named Hrym Rodrick has all the makings of a classic hero except for the conscience Instead he and Hrym live a high life as scoundrels pulling cons and parting the weak from their gold When a mysterious woman invites them along on a quest into the frozen north in pursuit of a legendary artifact it seems like a prime opportunity to make some easy coin especially if there's a chance for a double cross Along with a hooded priest and a half elven tracker the team sets forth into a land of witches yetis and ancient magic As the miles wear on however Rodrick's companions begin acting steadily stranger leading man and sword to wonder what exactly they've gotten themselves into From Hugo Award winner Tim Pratt author of *City of the Fallen Sky* comes a bold new tale of ice magic and questionable morality set in the world of the Pathfinder Roleplaying Game At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *Liar's Code* Richard Chiappone, 2016-05-03 Warm funny and memorable musings on a life spent fishing With this eclectic collection of personal essays taking him from his childhood haunts along the industrial Niagara River of the 1960s to Alaska and the saltwater flats of the Caribbean Richard Chiappone elongates the fishing writing genre suggesting that he finds almost anything a fisherman does interesting anything but the actual fishing In one piece he gets no farther than the curb outside his upstate New York childhood home futilely waiting for his ride to the rivers of his dreams In another account

he describes an afternoon standing in a midwinter snow bank casting to house cats With humor and self skewering wit Chiappone admits he can't cast very well ties some of the ugliest flies in the world and spent nineteen years of his life trying to catch a permit The essays both funny and touching reveal him as a writer of stark contradictions a man who despises winter and loves living in Alaska who laments having spent half his life just downstream from the infamous Love Canal and simultaneously remembers those years with elegiac fondness Lifting his gaze past the tip of his fly rod and beyond the river and the fish all the way into his own heart he portrays everything from a sentimental memory of his mother to his doubts about the adequacy of his grief over a dead daughter making this compilation a kind of memoir in linked essays a fisherman's life examined Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
