Court Power Matthew E. K. Hall, 2010-12-06 Few institutions in the world are credited with initiating and confounding political change on the scale of the United States Supreme Court The Court is uniquely positioned to enhance or inhibit political reform enshrine or dismantle social inequalities and expand or suppress individual rights Yet despite claims of victory from judicial activists and complaints of undemocratic lawmaking from the Court's critics numerous studies of the Court assert that it wields little real power This book examines the nature of Supreme Court power by identifying conditions under which the Court is successful at altering the behavior of state and private actors Employing a series of longitudinal studies that use quantitative measures of behavior outcomes across a wide range of issue areas it develops and supports a new theory of Supreme Court power *The Nature-study Review* ,1910 [Offbeat Florida](#) Neala McCarten, 2023-09-07 Offbeat Florida The nature history culture and quirk of the Sunshine State is a guide for the independent traveler who knows there is far more to Florida than beaches and theme parks even though our beaches and theme parks are stellar Over 800 separate attractions in more than 230 towns across Florida Florida from the Flora Bama Bar site of their famous mullet toss at the north west corner to Fort Jefferson where the infamous Dr Mudd was once incarcerated and why he was released Along the way you'll discover that we still have drive in movies and where to find them And where to see snakes being milked and the colorful tale of how Tate's Hell State Forest got its name as well as how the Conch Republic got its name Where and when to see the swimming Santas So much to discover we've created special Focus On sections to take a closer look at things you might not know about Florida like cypress knees or the legendary Barefoot Mailman Moments of history like the East Florida Patriot Revolt What about just quirky stuff like the origin of Swamp buggies Join us and we explore the heart and soul of the Sunshine State And because free is important places with no admission fees are noted with FREE **University of Florida Publication** University of Florida, 1930 **The Nature of Florida's Waterways** ,1996
