New Episcopal Way Carl G. Carlozzi, 1989-06 *New Episcopal Way Students Book* *The New Episcopal Way* Carl G. Carlozzi, 1989-01-01 **The Episcopal Way** Stephanie Spellers, Eric H.F. Law, 2014-08-01 The world is ever changing and so must the Episcopal Church to remain relevant to its followers A grounded necessary book on the Episcopalian faith in the 21st century In the Church's Teachings for a Changing World series two visionary Episcopal thinkers and church leaders team up to revitalize the currency integrity and scholarship of this series with fresh new voices and style concise and clear enough for newcomers yet grounded and thoughtful enough for seminarians and leaders In this foundational text for the Church's Teachings for a Changing World Law and Spellers explore seismic shifts in American life and the opportunities and challenges each presents to the church today With a winning combination of passion creativity and wisdom the authors call for a return to Episcopal basics and insist that faithfully engaging a changing world might be the most truly Anglican practice of all This is the book I've been waiting for The Episcopal way of following Jesus and being Christian may be one of the best kept secrets in the Western world Finally someone has taken the light out from under the bushel Let it shine The Rt Rev Michael B Curry Presiding Bishop and Primate of The Episcopal Church **Companions on the Episcopal Way** Stephanie Spellers, Eric H.F. Law, 2018-06-15 The New Church's Teaching series has been one of the most recognizable and useful sets of books in the Episcopal Church With the launch of the Church's Teachings for a Changing World series visionary Episcopal thinkers and leaders have teamed up to write a new set of books grounded and thoughtful enough for seminarians and leaders concise and accessible enough for newcomers with a host of discussion resources that help readers to dig deep Eric Law and Stephanie Spellers conclude the series with a dynamic conversation about faith dialogue and the generous give and take that makes Episcopal life possible They interview the series authors and provide summaries of each volume history theology contemporary society ethics practice of ministry Bible and worship Then they invite readers to expand the faith conversation with self with neighbor with the enemy and ultimately with God

Following the Way of Jesus Michael B. Curry, 2017-05 The new Church's Teaching series has been one of the most recognizable and useful sets of books in The Episcopal Church With the launch of the Church's Teachings for a Changing World series visionary Episcopal thinkers and leaders have teamed up to write a new set of books grounded and thoughtful enough for seminarians and leaders concise and accessible enough for newcomers with a host of discussion resources that help readers to dig deep Michael Curry leads off this volume with a clarion call for Episcopalians to join the Jesus Movement A team of the church's brightest stars follow up with reflections on the practice of ministry in light of the movement Nora Gallagher on encountering the other Rob Wright on adaptive leadership Broderick Greer on reconciliation Anthony Guillen on new ministries Megan Castellan on evangelism and Kellan Day on ministry with young people Michael Curry closes with a word on making the world whole Christians have been following Jesus together for some

2000 years these leaders help to illuminate how we follow him in our time

The Church Cracked Open Stephanie Spellers, 2021-03-17 This book will make a profound difference for the church in this moment in history The Most Reverend Michael B Curry Sometimes it takes disruption and loss to break us open and call us home to God It s not surprising that a global pandemic and once in a generation reckoning with white supremacy on top of decades of systemic decline have spurred Christians everywhere to ask who we are why God placed us here and what difference that makes to the world In this critical yet loving book the author explores the American story and the Episcopal story in order to find out how communities steeped in racism establishment and privilege can at last fall in love with Jesus walk humbly with the most vulnerable and embody beloved community in our own broken but beautiful way The Church Cracked Open invites us to surrender privilege and redefine church not just for the sake of others but for our own salvation and liberation *People's Christian Bulletin* ,1925 *Time* Briton Hadden, Henry Robinson Luce, 1953 *The Congregationalist and Advance* ,1918 *Christian Advocate and Journal and Zion's Herald* ,1899

People of the Way Dwight J. Zscheile, 2012-05-01 By exploring the Episcopal Church s mission and precepts in the context of 21st century and its challenges this thoughtful book deepens the Church s relationship with its people and makes the faith more relevant Society and culture are constantly evolving so must religion and its mission to remain meaningful The legacies of establishment benefactor approaches to mission and the national church ideal are no longer adequate for the challenges and opportunities facing the 21st century church But if the Episcopal Church is no longer the Church of the Establishment and the benefactor model of church is dead what is the heart of Episcopal mission and identity Scholar and Episcopal priest Dwight Zscheile draws on multiple streams of Anglican thought and practice plus contemporary experience to craft a vision for mission that addresses the church s post establishment post colonial context With stories practices and concrete illustrations Zscheile engages readers in re envisioning what it means to be Anglican in America today and sends readers out to build new relationships within their local contexts *Radical Welcome* Stephanie Spellers, 2021-11-16 For the fifteenth anniversary of its publication this revised edition features a new introduction from the author on the state of the church and its radical welcome today along with new reflections on how it continues to reshape the church This book is at once a theological inspirational and practical guide for congregations that want to move beyond diversity and inclusion to present a vision for the church of the future one where the gifts voices and power of marginalized groups bring new life to the mainline church Based on two years of work and over 200 interviews with people in congregations all around the United States in urban suburban and rural settings it asks the question How do we face our fears and welcome transformation in order to become God s radically welcoming people Each chapter introduces a particular congregation and the challenges it faced and lays out the theological underpinnings of tackling fears head on to embrace change as a welcome part of community life This new edition features essays from Michael B Curry Mark Bozzuti Jones Jennifer Baskerville Burrows and Mark Richardson
