became one with us in sin so that we might become one with Him in righteousness He became as we were so that we might be as He is now In identification we have one of the richest phases of redemption There is a twofold oneness first His oneness with our sin and humanity on the cross second our oneness with Him in His glory on the throne These teachings unveil who we are in Christ and how the Father sees us in the Son The vital aspect of redemption is what the Holy Spirit through the Word is doing in us now When these truths really gain the ascendancy in our lives they will make us spiritual supermen It will be the end of our spiritual weakness and failure We will no longer struggle for faith for all things are already ours We will no longer pray for power for Christ is in us We will no longer feel the awful bondage of sin consciousness for we are the righteousness of God in Christ
