The Priest Fainted:

The Priest Fainted Catherine Temma Davidson, 2014-01-07 A stunning debut about a young Greek American woman and the history she shares with her mother and grandmother Imam is a recipe known throughout villages in Greece handed down from mother to daughter If you come from these villages your history is passed on through your body Its full name is imam baildi and it means the priest fainted Perhaps the priest was given a bit of bitter and sweet pleasure and the power of everything behind the dish pushed him off his rock just for a moment Perhaps when he was tumbling through the air sighing with fear and ecstasy he saw a glimpse of a new life to come Layered with love affairs family squabbles poignant misunderstandings moments of wonder and more The Priest Fainted is nothing less than the recipe for a young Greek American woman s life Using her imagination and the stories passed through her bones as ingredients Catherine Temma Davidson uses memories Greek myths recipes and family gossip to uncover a hidden history which is the story of one woman s year in Greece as it crosses and doubles back over the lives of her mother and grandmother *The Pharaoh and the Priest* Boleslaw Prus, 1910 *Chosen* K.L. 1 Roy, 2011-02-08 Closing the cover she stared down at the reason for her life on the run The small body of her daughter Raine sleeping on the hotel bed smeared dried chocolate ice cream on her rosy lips Her first words tangled in a two year old language I am Christ Father Mc Kenna tossed the folder down on his desk letting his eyes remain on the rain splattered window Weighing out the common denominators trying to justify and dispel what he was learning on his trip from the Vatican to the United States All the children were born in the same year They all told the same stories Most importantly they all searched for the one girl they claimed to Christ walking on earth again If he took the job offered to him as a liaison between the States and the church he would oversee the school designed to house all the children together study them analyze and scatter their creditability Yet in the back of his mind the question lingered what if Christ had returned Michael David stared out his binoculars at the mother and daughter playing in the backyard of their newest home A cold chill ran up his spine as he recalled the typed black on white words written in the folder given to him by his commander General Frank Mc Gunther No surely not it couldnt be this bright eyed little girl shaking off the cool water her mother sprayed on her with the garden hose she looked so ordinary If there was a God He was surely playing a joke on all of them Or so he thought Return Narratives Theodora D. Patrona, 2017-08-29 This book is a comparative study of six Italian American and Greek American literary works written in the three last decades of the 20th century and examined in pairs Based on the common theme of the authors return either metaphorical or literal to the country of origin and its culture Return Narratives explores the common motifs of mythology ritual and storytelling where the third generation writers resort to in their quest for self definition With a common historical and cultural background in the old neighboring countries Greece and Italy and a similar reception in the new world facilitating a comparative approach the ethnic writers of the two literatures clearly envisage ethnic space as a site of resilience and empowerment **University of California Publications**
