Dasan V Vima,2015-12-02 In this book the two priest brothers portray the tears they shed in priestly ministry not merely to ventilate their emotional outbursts or confessions to their friends kith and kins and even their so called enemies but most of all to celebrate those tears as part of the blessing that has come to strengthen their union with the Lord with the church and certainly with their lifelong neighbors The kind of tears their eyes showered were those of gratitude joy and sorrow Their discussion also would bring home to every good willed people how the foreign born priests who serve the church in different continents not to be considered as mere international priests in a modern business term rather to be esteemed as the true missionaries sent by the Lord for the impending purpose of new evangelization Ultimately their dream in this dialogical venture is to bring their readers especially their international fellow missionary priests closer to Jesus the one they love the most and to the church his beloved spouse

**The Priestly Life** Ronald Arbuthnott Knox,1958     *The Priestly Life of the Believer* Ifeanyi Emmanuel Anierobi,2021-07-28 In more than a decade of ministry if there is any question I find that believers need to answer if they will live the victorious life that Christ died to give them it is Who is the Believer In *The Priestly Life of the Believer* I endeavoured to expose a few details of who the man in Christ truly is and what a glorious life he has been called to live here on earth not when he gets to heaven I burst a few myths that ignorant ministers have used to threaten and hold believers hostage while revealing the design of the Father in Christ Jesus You will discover that there are two orders of priesthood the unique characteristics of each of these orders the limitations of the older order and the advantages of the new order to the believer Never again will you walk in ignorance or the dark as you will learn what it truly means to be a priest of God and what God expects from you as His priest and representative You will discover the major differences between you and the priests of the Old Testament God s enormous investment in you and how he hopes to reap a benefit as you begin to manifest and fulfill your role as His heir and legal representative here on earth Not only is the information you are about to be exposed to guaranteed to turn your story by 180 degrees but it will also make you the source of the same change for all in your circle of influence So I urge you to not only read this book for information sake but give yourself wholly to this message and apply them wholeheartedly beginning today
