The Princess Aline Richard Harding Davis,2016-04-01 This story was interesting and the plot moved along quickly It was not tedious as some books from this period tend to be The characters were likeable and mostly believable and another But as he approached the stranger he saw to his great disappointment that

he had nothing more serious to deal with than one of the international army of amateur photographers who had been stalking the Princess as a hunter follows an elk or as he would have stalked a race horse or a prominent or a Lord Mayor's show everything being fish that came within the focus of his camera

The Princess Aline Richard Harding Davis, 2015-03-02 He had never understood why such a responsibility had been intrusted to him It was as he expressed it not at all in his line and young girls who sought to sit at the feet of the master found him making love to them in the most charming manner in the world as though he were not entitled to all the rapturous admiration of their very young hearts but had to sue for it like any ordinary mortal Carlton always felt as though some day some one would surely come along and say Look here young man this talent doesn't belong to you it's mine What do you mean by pretending that such an idle good natured youth as yourself is entitled to such a gift of genius He felt that he was keeping it in trust as it were that it had been changed at birth and that the proper guardian would eventually relieve him of his treasure
