The Scripture Keeper Plus Purpose Driven Life:

The Purpose Driven Life Rick Warren, 2009-03-17 Another Landmark Book by Rick Warren You are not an accident Even before the universe was created God had you in mind and he planned you for his purposes These purposes will extend far beyond the few years you will spend on earth You were made to last forever Self help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself but Rick Warren says that is the wrong place to start You must begin with God your Creator and his reasons for creating you You were made by God and for God and until you understand that life will never make sense This book will help you understand why you are alive and God's amazing plan for you both here and now and for eternity Rick Warren will guide you through a personal 40 day spiritual journey that will transform your answer to life's most important question What on earth am I here for Knowing God's purpose for creating you will reduce your stress focus your energy simplify your decisions give meaning to your life and most importantly prepare you for eternity The Purpose Driven Life is a blueprint for Christian living in the 21st century a lifestyle based on God's eternal purposes not cultural values Using over 1 200 scriptural quotes and references it challenges the conventional definitions of worship fellowship discipleship ministry and evangelism In the tradition of Oswald Chambers Rick Warren offers distilled wisdom on the essence of what life is all about This is a book of hope and challenge that you will read and re read and it will be a classic treasured by generations to come

Buying In Rob Walker, 2008-06-03 Brands are dead Advertising no longer works Consumers are in control Or so we're told In *Buying In* Rob Walker argues that this accepted wisdom misses a much more important cultural shift including a practice he calls *marketing* in which people create brands of their own and participate in unprecedented ways in marketing campaigns for their favorites Yes rather than becoming immune to them we are rapidly embracing brands Profiling Timberland American Apparel Pabst Blue Ribbon Red Bull iPod and Livestrong among others Walker demonstrates the ways in which buyers adopt products not just as consumer choices but as conscious expressions of their identities Part marketing primer part work of cultural anthropology *Buying In* reveals why now more than ever we are what we buy and vice versa
