**Finding Clarity** Marc Lesser,2023-04-11 A SURPRISING PATH TO BREAKTHROUGH COMMUNICATION AND PROFESSIONAL SUCCESS For Marc Lesser the key to healthy relationships and effective workplaces is compassionate accountability a practical and trainable way to clarify and achieve shared visions of success Numerous examples include facing rather than avoiding conflict for the long term benefit of all working with and through difficult emotions with clarity care and connection understanding the stories we live by and evaluating whether they re serving us well learning to listen and lead in ways that align with our mission and values Marc works from the premise that problems are inevitable and that the success of an enterprise or relationship relies on how they are resolved This applies to any joint effort in a workplace a family a civic organization a community a country or the world at large

**Political Leadership in Liberal and Democratic Theory** Joseph Femia,András Körösényi,Gabriella Slomp,2016-08-22 The working hypothesis of this book is that the issue of leadership is neglected by mainstream democratic and liberal theories This deficiency has especially become evident in the last three or four decades which have witnessed a revival of deontological liberalism and radical theories of participatory and deliberative democracy The contributors examine discuss and evaluate descriptive analytical and normative arguments regarding the role of leadership in liberal and democratic theory The volume seeks to provoke debate and to foster new research on the significance and function of leaders in liberal democracies The book as a whole and in its constitutive chapters works on two levels First it aims to expose the lack of systematic treatment of leadership in mainstream liberal and democratic theory Second it explores the reasons for this neglect Overall the book tries to convince the reader that liberal and democratic theories should revive the issue of leadership

*The Leadership of Civilization Building* Richard J. Spady,2002

**The President as Leader** Erwin C. Hargrove,1998 Hargrove argues that political leadership must contain a moral element if it is to be fully effective He suggests a model with which to analyze compare and evaluate political leaders and then assesses the presidencies of Franklin Roosevelt Lyndon Johnson and Ronald Reagan according to the model s normative implications Jacket

**Organization 21C** Subir Chowdhury,2003 Organization 21C Someday All Organizations Will Lead This Way brings together 19 all new essays by the world s leading management thinkers covering every key driver of organizational success leadership process people and organizational design You ll find breakthrough ideas and practical solutions for virtually every tactical and strategic challenge you face Key topics include James Champy s X engineering Total Rewards Management the New Boardroom the changing nature of power and influence building workable hierarchies and sustainable organizations and new best practices for leading change
