The Second Story Man:

The Second-Story Man Upton Sinclair, 2021-04-25 In *The Second Story Man* by Upton Sinclair the reader is plunged into a gripping narrative that unravels the complexities of urban crime and morality Sinclair's literary style captures the gritty realism of life in early 20th century America showcasing a juxtaposition of social class struggles and the allure of quick wealth through criminal activities The novel is a thought provoking exploration of the consequences of one's choices and the ethical dilemmas faced in a society rife with corruption and inequality As Sinclair delves into the psyche of the main character readers are compelled to reflect on the blurred lines between right and wrong in a world where survival often trumps morality This book is a notable contribution to the genre of American naturalism offering a stark portrayal of the harsh realities facing individuals on the margins of society Upton Sinclair's insightful portrayal of the human condition makes *The Second Story Man* a must read for those interested in literature that challenges societal norms and confronts the complexities of human nature [The Gospel Train](#) G. Hornblum,2006 This volume encompasses the last six months of Andrew Johnson s presidency September 1868 February 1869 and March and April of 1869 During this time Johnson moved from being a considerably diminished president to becoming an ex president But by April he sought to rejuvenate his political career by undertaking a speaking tour across Tennessee Despite being a president in limbo in the last months of his term Johnson remained surprisingly active Requests

and nominations for presidential patronage did not slow down but Johnson enjoyed only limited success in securing Senate confirmation of his appointments Yet the patronage game continued to be played right up to the end of his term Although Horace Greeley feared Johnson might do something to make us all d d mad before November the President s involvement in the presidential campaign was limited to a plea with Horatio Seymour to become an active campaigner But even a more engaged Democratic candidate could not have thwarted the Republican ticket headed by General Grant One holdover problem from the summer months was the whiskey frauds investigation in New York City It continued through the end of 1868 with various twists and turns The Johnson administration had to defend its own investigators who seemed as unscrupulous as those they investigated The ultimate purpose of the inquiry was to replace Internal Revenue Commissioner Edward Rollins but Rollins remained in office In late 1868 several Southern states sent reports about unusual outbreaks of violence to Washington A Tennessee delegation testified about Ku Klux Klan activities and requested federal troops to counteract them North Carolina Alabama Louisiana and Arkansas presented similar accounts to Johnson But the President was unable to take any real action In December Johnson submitted his fourth and final Annual Message to Congress Not surprisingly he attacked the various Reconstruction acts Yet he also focused on the national debt and urged a scheme that would enable bondholders to be paid off in less than seventeen years Republican leaders in Congress however strongly opposed this proposal That same month the president also issued his fourth and final Amnesty Proclamation Its terms embraced everyone who had not already been accommodated by earlier proclamations The Senate demanded an explanation from Johnson who soon forwarded a defense of the new proclamation The President left office on March 4 but not before delivering a Farewell Address He said that he had no regrets about his administration a view not shared by most political leaders Johnson spent two more weeks in Washington before returning home to Tennessee Shortly after arriving in Greeneville he decided to rehabilitate his political standing After all friends had already encouraged him to run for governor or possibly a U S Senate seat Only a brief but serious illness delayed his plans In April Johnson hit the campaign trail making major speeches in Knoxville Nashville and Memphis After a foray into north Alabama Johnson was stunned by the tragic news of the suicide of his son Robert He returned to Greeneville to grieve but also to contemplate his future political career He would move forward in search of vindication at the hands of the voters The Editor Paul H Bergeron is professor of history at the University of Tennessee Knoxville Excerpts from Volume 15 The mass of the people should be aroused and warned against the encroachments of despotic power now ready to enter the very gates of the citadel of liberty To Horatio Seymour Oct 22 1868 They Reconstruction acts can be productive of no permanent benefit to the country and should not be permitted to stand as so many monuments of the deficient wisdom which has characterized our recent legislation Fourth Annual Message Dec 9 1868 I think there ought to be a professor in every college in the land to teach its pupils a correct understanding and appreciation of the principles of the constitution and to hold it next in reverence and importance to the
