**The Book of the Secrets of Enoch** William Richard Morfill, 1997-06      [The Book of the Secrets of Enoch the Prophet](#)  
Richard Laurence, 2020-09-28 In the revised Version of the Epistle of Jude we read the following words Enoch also the seventh from Adam prophesied of these saying Behold the Lord cometh with ten thousands of his saints to execute judgment upon all and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed and of all their hard speeches which ungodly sinners have spoken against Him Modern research sees in the Epistle of Jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an Apostle let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah In vain we turn over the pages of the sacred Canon not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic interpretation of Genesis v 24 Were the prophecies of Enoch therefore accepted as a Divine revelation on that momentous day when Jesus explained the Scriptures after his resurrection to Jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the Bible Reverting to the second century of Christianity we find Irenaeus and Clement of Alexandria citing the Book of Enoch without questioning its sacred character Thus Irenaeus assigning to the Book of Enoch an authenticity analogous to that of Mosaic literature affirms that Enoch although a man filled the office of God's messenger to the angels Tertullian who flourished at the close of the first and at the beginning of the second century whilst admitting that the Scripture of Enoch is not received by some because it is not included in the Hebrew Canon speaks of the author as the most ancient prophet Enoch and of the book as the divinely inspired autograph of that immortal patriarch preserved by Noah in the ark or miraculously reproduced by him through the inspiration of the Holy Spirit Tertullian adds But as Enoch has spoken in the same scripture of the Lord and every scripture suitable for edification is divinely inspired let us reject nothing which belongs to us It may now seem to have been disavowed by the Jews like all other scripture which speaks of Christ a fact which should cause us no surprise as they were not to receive him even when personally addressed by himself These views Tertullian confirms by appealing to the testimony of the Apostle Jude 1 The Book of Enoch was therefore as sacred as the Psalms or Isaiah in the eyes of the famous theologian on whom modern orthodoxy relies as the chief canonist of New Testament scripture Origen A D 254 in quoting Hebrew literature assigns to the Book of Enoch the same authority as to the Psalms In polemical discussion with Celsus he affirms that the work of the antediluvian patriarch was not accepted in the Churches as Divine and modern theologians have accordingly assumed that he rejected its inspiration but the extent to which he adopts its language and ideas discloses personal conviction that Enoch was one of the greatest of the prophets Thus in his treatise on the angels we read We are not to suppose that a special office has been assigned by mere accident to a particular angel as to Raphael the work of curing and healing to Gabriel the direction of wars to Michael the duty of hearing the prayers and supplications of men From what

source but assumed revelation could Origen obtain and publish these circumstantial details of ministerial administration in heaven Turning to the Book of Enoch we read After this I besought the angel of peace who proceeded with me to explain all that was concealed I said to him Who are those whom I have seen on the four sides and whose words I have heard and written down He replied The first is the merciful the patient the holy Michael The second is he who presides over every suffering and every affliction of the sons of men the holy Raphael The third who presides over all that is powerful is Gabriel And the fourth who presides over repentance and the hope of those who will inherit eternal life is Phanuel We thus discover the source of Origen s apparently superhuman knowledge and detect his implicit trust in the Book of Enoch as a Divine revelation When primitive Christianity had freely appropriated the visions of Enoch as the materials of constructive dogmas this remarkable book gradually sank into oblivion disappeared out of Western Christendom and was eventually forgotten by a Church which unconsciously perpetuated its teaching as the miraculous revelations of Christianity

**The Secrets of Enoch: Christian Apocrypha Series** Enoch,2020-01-08 The content of this piece covers Enoch s journey through the multiple heavens meeting the angels Gabriel and Michael Enoch instructing Methuselah and his other sons on moral and ethical lessons which he had written out in 366 books and which he eventually passes on to Methuselah and his other sons so that his teachings wouldn t be lost and finally Enoch s eventual assumption into heaven This is essentially the sequel to the fabled Book of Enoch

Enoch,2014-12-27 One might ask why there is so much interest in this obscure little apocryphal book written under the assumed name Enoch If we look at the book of Luke where Jesus is describing for His disciples the time of His return in Luke 17:26 Just as it was in the days of Noah so will it be in the days of the Son of Man They were eating and drinking and marrying and being given in marriage until the day when Noah entered the ark and the flood came and destroyed them all We may want to know in greater detail just exactly what it was like during the time of Noah Reading the first chapter of the Book of Enoch we find Enoch a righteous man whose eyes were opened by God saw the vision of the Holy One in the heavens which the angels showed me and from them I heard everything and from them I understood as I saw but not for this generation but for a remote one which is for to come Concerning the elect I said and took up my parable concerning them The Holy Great One will come forth from His dwelling and the eternal God will tread upon the earth even on Mount Sinai and appear from His camp and appear in the strength of His might from the heaven of heavens So not only does Luke and Mathew for that matter tell us that Jesus return will come at time like the time of Noah and the flood but the Book of Enoch begins by telling us it is written not for those of Enoch's generation but for a generation in the distant future when the Holy Great One will tread upon the earth and He will appear in the strength of His might from the Heaven of Heavens From The reference in the Letter of Jude 1:15 quoting Enoch regarding the return of Jesus to the passages in Mathew and Luke regarding the time of Christ's return to be like the time of Noah and considering Enoch's claim to be written for the elect of the generation alive during the time of the Holy Great One's coming to Earth I believe the Book of Enoch deserves a serious read

**Book of the Secrets of Enoch** R. H. Charles,1996-06 Readers with interest in Apocalyptic literature and of the origins of Christianity will find this book to be fascinating For more than 1200 years this book has not been known outside of Russia and it was known only in the slavonic language The author was a Hellenistic jew and the place of its composition was Egypt about the beginning of the Christian era It was much read during the first three centuries of the of the church and influenced many other writings This 1896 English edition is the first such publication The actual book of Enoch consists of 100 pages which are preceded by a 42 page introduction that provides a scholarly historical review to help the reader understand the linguistic origins and the relevance of the text [Book of the Secrets of Enoch](#) Steve Nichols,2006-02 The

Book of the Secrets of Enoch was preserved only in the Slavonic tongue and was thought lost until 1892 Even when rediscovered it was thought that this text was just another version of the Ethiopic Book of Enoch but the Secrets of Enoch is an entirely new pseudepigraph and not a version of the well known Book of Enoch It seems to have been translated from a lost Greek original and was written by a Coptic Jew in Alexandria during the earliest period of the Christian era It is of no less value than the Ethiopic Enoch Discoveries regarding the planets which Joel circa 1200 AD ascribed to the god Seth are probably ultimately derived from this book Likewise some statements on the Sabbath and the duration of the world found in Josephus and the Book of Jubilees should be ascribed to this source Scholars of Babylonian traditions apocalyptic Judaism and mystical Christianity will find material of great interest Ideas and phrases from this book may even have been incorporated into the Koran
