The Selling Of Jesus:

The Selling of Jesus Keith Green,1979 *Selling Jesus* Douglas D. Webster,2009-08-01 It s one thing to market cars and deodorant and hamburgers It s another thing says Doug Webster to market Jesus and the gospel Standing up to a spate of books and seminars that urge churches to model their mission on Madison Avenue methods Webster sounds an urgently needed wake up alarm *Selling Jesus* is a hard hitting book that shows how Jesus is more than a product to be hawked how seekers are more than a matter of meeting felt needs But *Selling Jesus* doesn t merely challenge It moves beyond penetrating criticism to the next step suggesting faithful and powerful alternatives to marketing the church *Selling Jesus* is a necessary book for those who are beginning to wonder if evangelism and missions really aren t synonymous with product promotion

The Selling of Jesus Victor V. Bryditzki,1985-05-01 **Prayers and Meditations on the Life of Christ** Thomas (à Kempis),1908 *Selling Jesus* Larry D. Rudder,2016-07-30 Christ for Sale What does it take to get your prayers answered Perhaps your prayers are misdirected When it comes to wealth the Bible tells us that godliness with contentment is great gain but that s not what you hear from the electronic preachers of today One prosperity preacher told his television audience Money is supposed to come to you Turn to somebody and say I m supposed to be rich Turn to somebody else and say I m supposed to be wealthy And like robots the crowd repeated his words and gestures Then he had the crowd stand and go through the motions of pulling invisible slot machine levers while chanting Moneeeeeeeey cometh to me now He repeated his ritual several times then said You re putting the demand up to God We are warned in Scripture to avoid perverse disputings of men of corrupt minds and destitute of the truth supposing that gain is godliness from such withdraw thyself 1 Timothy 6 5 Within God s Word there is no dollar sign before the love of the Lord Jesus Christ

The Works of Thomas À Kempis ...: Prayers & meditations on the life of Christ Thomas (à Kempis),1908 *The Open Court* ,1923 *The Pastor's Sandal Path* Father Henry C. Schmid,2010-04-16 *The Pastors Sandal Path* relates my envisioning of God in nature I was privileged to grow up with my sister and five brothers on a farm where our parents instilled in us the presence of God in our daily lives as well as in the majesty of Gods nature My early schooling took place in a one room country school where our fantastic teacher incorporated the beauty of God and nature in the classroom and on field trips In the upper grades the Dominican sisters assisted my parents in laying a solid faith foundation After graduation I entered St Mary of the Lake Seminary Mundelein where my faith was deepened my love of Jesus increased and Gods presence in nature more keenly perceived I hope my perceptions of God in nature will help the reader to encounter God in their ordinary experiences of life **The Bits and**

Jewish Martyrs in the Pagan and Christian Worlds Shmuel Shepkaru, 2006 This book presents a linear history of Jewish martyrdom from the Hellenistic period to the high Middle Ages Following the chronology of sources the study challenges the general consensus that martyrdom was an original Hellenistic Jewish idea Instead Jews like Philo and Josephus internalized the idealized Roman concept of voluntary death and presented it as an old Jewish practice The centrality of self sacrifice in Christianity further stimulated the development of rabbinic martyrology and the talmudic guidelines for passive martyrdom However when forced to choose between death and conversion in medieval Christendom Ashkenazic Jews went beyond these guidelines sacrificing themselves and loved ones Through death not only did they attempt to prove their religiosity but also to disprove the religious legitimacy of their Christian persecutors While martyrs and martyrologies intended to show how Judaism differed from Christianity they in fact reveal a common mindset

Shalom Ethics Thomas M. Crisp, 2026-05-19 Obedience to Jesus's second love command yields a life characterized by such practices as voluntary poverty communal living shared life with marginalized people Gandhian nonviolence and refusal to participate in the violence of the state *Shalom Ethics* offers an exposition of the second love command The command is best read as an injunction to pursue neighbor inclusion in shalom the state of a community in which the sustenance safety freedom and dignity of all are secure Thomas Crisp takes up the question of what normative ethical theory is suggested by the command and related love teachings in the Jesus tradition the investigation of which yields the book's focal love ethic He then extrapolates from that ethic using a combination of biblical and philosophical arguments to arrive at an ethics of nonviolence Christian anarchism open borders prison abolition anticapitalism and voluntary poverty Loving your neighbor as yourself has implications for living a more radical style of Christian discipleship *Shalom Ethics* explores the theory and praxis of the early Jesus movement as a model and suggests what this might look like today
