from receiving the money that should rightfully have been hers Now though with changes in the legal system and science her daughter Arden may finally succeed in claiming the inheritance that has been long denied Told from both Arden and Virginia's viewpoints straddling past and present and moving from Toronto to New York City The Inheritance is a poignant portrait of familial bonds haunting pasts the collateral damage of life choices and the promise of hopeful futures as two venerable women fight for the life they deserve **The Way to Become the Sensuous Woman** ,1969 How to Become the Sensuous Woman Joan Terry Garrity,1969 **The Publishers Weekly** ,1913
