of the word of God and is done in churches throughout the world Preaching plays a role in the spiritual formation of its hearers helping to form a community of faith whose members are sharing in and supporting one another in a spiritual journey The topics of preaching can be found in both the Old and New Testaments within several different genres but closer attention might be given to the genres of the parables of Jesus and the speeches in the book of Acts As a topic of preaching the parables can be understood as examples of allegory simile and or metaphor The speeches in Acts offer a picture window of a sort into the homiletical mindset of the apostles and other disciples as they proclaimed the gospel to the world as they knew it Preaching is a demand of the Bible and a specific task of those who are privileged to do it The Four Pages of the Sermon, Revised and Updated Paul Scott Wilson,2018-09-18 Doing justice to the complexity of the preaching task and the questions that underlie it author Paul Scott Wilson organizes both the preparation and the content of the sermon around its four pages Each page addresses a different theological and creative component of what happens in any sermon Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself Page Two looks at similar conflict sin or brokenness in our own time Page Three returns to the Bible to identify where God is at work in or behind the text in other words to discover the good news Page Four points to God at work in our world particularly in relation to the situations described in Page Two This approach is about preaching the gospel in nearly any sermonic form Wilson teaches the what why and how of sermon construction all rooted in a theology of the Word This completely revised edition guides readers through the sermon process step by step with the aim of composing sermons that challenge and provide hope by focusing on God more closely than on humans It has been largely rewritten to include an assessment of where preaching is today in light of propositional preaching the New Homiletic African American preaching the effect of the internet and use of technology A chapter on exegesis has been added plus new focus on the importance of preaching to a felt need the need for proclamation in addition to teaching and developing tools to ensure sermon excellence New sermon examples have been added along with a section that responds to critics and looks to the future Invitation to Biblical Preaching , Written in a conversational style with profuse examples to illustrate all concepts Invitation to Biblical Preaching takes the reader step by step through the entire process of preparing a biblical message from studying a passage with skill and integrity to delivering a message with persuasion accuracy passion and relevance An experienced pastor and homiletics professor Donald Sunukjian provides budding pastors with wise counsel that is sure to stay with them throughout their ministries Sustaining Preachers and Preaching George Lovell,Neil Richardson,2011-01-13 A textbook on preaching from an ecumenical perspective covering the foundations and practice of preaching **Biblical Sermons** ,1989-04 *The System Bible Study* ,1922 **Biblical Preaching** Richard Clark White,1988 White stresses the need for preachers to listen to the Bible s message of good news in a world gone dry for lack of spiritual purpose
