The Way to Life and Immortality R. Swinburne Clymer, 2015-06-24 Excerpt from *The Way to Life and Immortality* A Text Book on the New Life That Shall Lead Man From Weakness Disease and Death to Freedom From These Things I lived in an age of strife All around me were men of ill temper and ill will They fought one against the other class against class Even the children took part in the strife and knew no other life than the life of strife They were ill shapen and miserable There was no light shining from their eyes The women were in the background natural prey to the life of strife for men had no love for each other Even in the midst of clans there was no love the one for the other and they fought their supposed enemies not because they loved their fellows more but because they hated their enemies more bitterly And out of the midst of the confusion came a Voice to me and bade me look In the heavens as in a cloud of fire there appeared unto me a vision of two divinely perfect beings Their bodies were glorious and as of shining ivory which had life Out of the eyes looked the Soul of Love Male and female were they perfect in soul and in body for the body showed perfect and out of the eyes shone the perfect soul And as I looked behold at their feet appeared children as perfect as were the other two It was a vision of Light and Fire glorious and divine But as I gazed there appeared other full grown men and women round about them and in a circle round about them I saw other children and all of them were perfect There was no mark of disease no misery no hate All was perfection there was happiness and love strife had given way As I gazed upon the glorious vision a Voice spake unto me This is the new heaven and the new earth the two become one and I thy God shall be with thee About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Swinburne Clymer, 2019 **The Resurrection and Immortality** William West, 2006-08

THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection? This is one of the most important questions of all times. It has more influence on our conception of our nature, our view of life in this world and life after death, the nature of God than any other question. The resurrection and an undying immortal soul are not compatible. If one is true, then the other one cannot be. YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL. Not only does man now having an immortal soul make the resurrection impossible, it makes the judgment be passed and the second coming of Christ pointless, for there could not be a resurrection or a judgment at His coming. The resurrection doctrine of unconditional immortality are contradictory to each other. You must choose one or the other. You cannot believe both. Christ taught the resurrection. It is our only hope of life after death, not now having immortality and never dying. The undead cannot be raised. If the soul is immortal and never dies, there cannot be a resurrection of those not dead. If there is to be a resurrection of the dead, the dead cannot be alive, cannot be living immortal souls. The doctrine of unconditional immortality changes the nature of God, makes Him cruel and sadistic, changes the message we preach to the lost, and their fate, whether they will have an eternal life with torment or a second death form, which there will never be a resurrection. Changes the nature of man, whether he is now mortal or immortal. Changes the nature of the resurrection of Christ, whether He was dead and raised by God or only His earthly body was dead and He just came back from Heaven to it. Changes the nature of our resurrection, whether we are dead and resurrected or just come back from somewhere. The resurrection of an immortal soul. The wages of sin is death, the wages of sin is an eternal life of torment.
