Among his best known works is a series of novels collectively known as the Chronicles of Barsetshire which revolves around the imaginary county of Barsetshire. *The Way We Live Now* is a satirical novel published in London in 1875. When he moves his business and his family to London, the city's upper crust begins buzzing with rumours about him. LaCroix, Saul Levmore, Martha Craven Nussbaum, 2019. *Power, Prose, and Purse* is an edited collection of essays that draw connections between literature, economics, and law. The essays discuss novels that explore the time period between the Industrial Revolution and the Great Depression and analyze the insights that novelists may offer to law and economics while noting the tensions among these paradigms. [Edinburgh Companion to Anthony Trollope](#) Van Dam, Frederik Van Dam, 2018-11-14. Explores the many ways in which Anthony Trollope is being read in the twenty-first century. Since the turn of the century, the Victorian novelist Anthony Trollope has become a central figure in the critical understanding of Victorian literature. By bringing together leading Victorianists with a wide range of interests, this innovative collection of essays involves the reader in new approaches to Trollope's work. The contributors to this volume highlight dimensions that have hitherto received only scant attention and, in doing so, they aim to draw on the aesthetic capabilities of Trollope's twenty-first-century readers. Instead of reading Trollope's novels as manifestations of social theory, they aim to foster an engagement with a far more broadly theorised literary culture. **Key Features** The most innovative collection of original essays on Anthony Trollope to date.
