door is opened allowing the firelight to illuminate them Even without it he is able to see them clearly with his night vision He feels himself growing angered by the sight of Delilah cradled in the vampire s chest her legs curled up in her chest She is turned to him so that her face is hidden in the nape of his neck There is a thick blanket spread over the both of them They are just a couple enjoying the night view and he feels like a voyeur for stopping in his tracks to stare at them Shamed he means to walk past them without a word but he stops as a gust of air blows towards him from their direction It carries her scent sweet and innocent even now but with something else a thick musky scent that is undeniably one of arousal He bristles but is able to keep his mind clear enough to stay hidden Charles Her voice is small and hurt For a second he thinks to attack the man thinking that he had caused her pain She wriggles in his grasp and tries to shift and adjust her position The blanket falls from her shoulders and pools at their feet Neither of them move to pull it back up **KISS ME (WEREWOLF).
