## **The West Country:**

*American Colonies* Alan Taylor, 2002-07-30 A multicultural multinational history of colonial America from the Pulitzer Prize winning author of *The Internal Enemy* and *American Revolutions* In the first volume in the Penguin History of the United States edited by Eric Foner Alan Taylor challenges the traditional story of colonial history by examining the many cultures that helped make America from the native inhabitants from millennia past through the decades of Western colonization and conquest and across the entire continent all the way to the Pacific coast Transcending the usual Anglocentric version of our colonial past he recovers the importance of Native American tribes African slaves and the rival empires of France Spain the Netherlands and even Russia in the colonization of North America Moving beyond the Atlantic seaboard to examine the entire continent *American Colonies* reveals a pivotal period in the global interaction of peoples cultures plants animals and microbes In a vivid narrative Taylor draws upon cutting edge scholarship to create a timely picture of the colonial world characterized by an interplay of freedom and slavery opportunity and loss Formidable provokes us to contemplate the ways in which residents of North America have dealt with diversity *The New York Times Book Review*

**The New Cultures of Food** Martin K. Hingley, 2016-03-03 Food is an extraordinary expression of culture the assortment of flavours smells colours and appearance match the diversity of the cultures from which they come and provide very visible evidence of the migration of populations and of the growing multiculturalism of many countries Adam Lindgreen and Martin K Hingley draw on research into European Latin American and Near and Far Eastern markets to provide a comprehensive collection of original cutting edge research on the opportunities that the changing landscapes of ethnic religious and cultural populations present for businesses and marketers *The New Cultures of Food* uses the perspective of food culture to explore the role of food as a social agent and attitudes to new foodstuffs amongst indigenous populations and to indigenous food amongst immigrant communities Opportunities and routes to market for exploiting growing demand for ethnic food are also investigated This is an important book for food and consumer businesses policy makers and researchers seeking to understand changing global markets and the significance of food as an indicator of social and religious attitude diet and ethnic identity
