**The Westcotes (Classic Reprint)** Arthur Thomas Quiller-Couch,2015-07-01  
Excerpt from *The Westcotes* My dear Henry James A spinster having borrowed a man s hat to decorate her front hall excused herself on the ground that the house wanted a something By inscribing your name above this little story I please myself at the risk of helping the reader to discover not only that it wants a something but precisely what that something is It wants to confess and have done with it all the penetrating subtleties of insight all the delicacies of interpretation you would have brought to Dorothea s aid if for a moment I may suppose her worth your championing So I invoke your name to stand before my endeavour like a figure outside the brackets in an algebraical sum to make all the difference by multiplying the meaning

**The Westcotes** Sir Arthur Thomas Quiller-Couch, 2014-12-07 vines and pink roses clambered around the old panels The energy of the workmen had passed into their paintings or perhaps Dorothea's head swam at any rate the cupids and doves seemed to be whirling across the ceiling the vines and roses mounting towards it and pushing out shoots and tendrils while they climbed But the panels themselves They were nine in all three down the long black wall two narrower ones at the far end four between the orange curtained windows looking on the street The fourth wall had no panel being covered by the musicians gallery and the pillars supporting it In each framed by the vines and roses glowed a scene of classical or pseudo classical splendour golden sunsets pale yellow skies landscapes cleverly imitated from recollections of Claude Lorraine dotted with temples and small figures in flowing drapery with here and there a glimpse of naked limbs Here were Bacchus and Ariadne with a company of dancing revellers Apollo and Marsyas the Rape of Helen Dido welcoming Aeneas
