The Whiskey Barons:

The Whisky Barons Allen Andrews,1977 The success of today s whisky industry is largely due to the commercial drive and foresight of a select group of whisky merchants who took the business by storm in the late 18th and early 19th centuries This is the story of how Dewar Buchanan Walker Bell and Mackie established their brands and kick started the industry The men had much in common they were all Scots from humble beginnings served long apprenticeships and ultimately set out on their own to build their companies This book shows how they changed the face of the world of whisky by taking the industry by the scruff of the neck and creating many of the sales techniques and the actual business culture still in existence today The Three Barons James W Lateer,2017-11-16 The Three Barons proves that it is possible with enough research to reconstruct the organizational chart of the JFK plot This book provides the first useful in depth analysis of the 120 phone calls by LBJ in the week following the assassination regarding such items as the Civil Rights Act demands made by the military and similar political power plays The Three Barons presents the first use of statistical factor analysis to identify the plotters using a database of 30 books and 1500 names and examines the military officers allegedly close to the plot such as NATO Commander Gen Lyman Lemnitzer General Lauris Norstad and JFK s advisor Gen Maxwell Taylor For the first time the National Security Council its structure and its members are scrutinized for their obvious role in the JFK plot More specifically The Three Barons explains the role of Treasury Secretary C Douglas Dillon and his father investment banker Clarence Dillon who likely had fascist sympathies This book identifies for the first time why there were three actual barons involved in the plot and why at least three members of the Warren Commission had powerful Nazi connections beginning in WWII and continuing through November 22 1963 Haunted Peoria Stephanie E. McCarthy,2009 At the heart of Peoria s Haunted Memories is the rich and compelling history and folklore of the Peoria area Buildings and cemeteries in and around the city provide ideal stomping grounds for many restless specters In this collection of haunted sites the reader will be introduced to some of Peoria s best loved mansions institutions and graveyards as well as many of its more illustrious citizens From Bartonville State Hospital to Bradley University historic downtown theaters hotels and taverns and local churches where ghostly congregants and ministers continue to worship this book presents these ghost stories and legends for the first time together in print In addition to providing thrilling tales Peoria s Haunted Memories serves as a unique guide for the intrepid supernatural sleuth seeking confirmation that the dead do not always rest in peace The Green Book Magazine ,1912
