The Whispering House:

The Whispering House Elizabeth Brooks, 2021-03-16 Eerie and addictive Like Wuthering Heights The Whispering House is a melancholy novel its characters filled with dark longings The New York Times Book Review From the acclaimed author of The Orphan of Salt Winds It was like holding a couple of jigsaw pieces in my palm knowing there was a whole picture to be made if I could only find the rest Freya Lyell is struggling to move on from her sister Stella's death five years ago Visiting the bewitching Byrne Hall only a few miles from the scene of the tragedy she discovers a portrait of Stella a portrait she had no idea existed in a house Stella never set foot in Or so she thought Driven to find out more about her sister's secrets Freya is drawn into the world of Byrne Hall and its owners charismatic artist Cory and his sinister watchful mother But as Freya lingers in this mysterious centuries old house her relationship with Cory crosses the line into obsession and the darkness behind the locked doors of the estate threatens to spill out In prose as lush and atmospheric as Byrne Hall itself Elizabeth Brooks weaves a simmering propulsive tale of art sisterhood and all consuming love the ways it can lead us toward tenderness nostalgia and longing as well as shocking acts of violence

The Whispering House Jennie Wren Foster, 2026-01-04 Seraphina Locke has spent her entire life avoiding complications As a book conservator in Boston she finds comfort in the tangible mending broken spines suturing torn pages bringing order to the chaos of time Emotions are unpredictable People are messy Her carefully curated life is exactly how she wants it Until the letter arrives She's inherited Hollowmere House a Gothic manor perched on the rocky cliffs of Port Blossom Massachusetts from Annelise Locke a great aunt whose existence was deliberately hidden from her The inheritance comes with an ancient iron key cryptic warnings and questions that pierce the foundation of everything Sera thought she knew about her family The house is not empty Nathaniel has haunted Hollowmere's halls for over a century bound to the estate by a desperate act of magic performed by Sera's ancestor He's not a ghost in the traditional sense he's corporeal tangible alive in a way that shouldn't be possible And he's furious that another Locke has returned to disturb his solitary existence But as Sera delves into dusty grimoires and uncovers the truth about her bloodline that she comes from a long line of witches the connection between her and Nathaniel shifts from antagonism to something far more dangerous She sees past his anger to the loneliness beneath He sees past her logic to the heart she's been protecting Hollowmere House remembers everything every spell cast within its walls every sacrifice made every love that bloomed and withered in its shadows The house itself is alive and it's been waiting for Sera the blood heir who might finally have the power to break the binding that keeps Nathaniel trapped But freedom comes at a price The magic that anchors Nathaniel to Hollowmere is woven into the very foundation of the house Breaking the curse could cost Sera everything she's come to love including the man she never expected to fall for As winter storms batter the coast and old magic stirs in the darkness Sera must make an impossible choice let Nathaniel remain bound to an eternal half life or risk a spell that could destroy them both Some loves are worth the haunting Some magic refuses to be forgotten And some houses
