The Wisdom Of Jesus:

The Wisdom Jesus Cynthia Bourgeault,2008-08-12 A new view of Jesus as a Buddha like wisdom teacher who taught the transformation of consciousness with traditional contemplative practices you can do yourself If you put aside what you think you know about Jesus and approach the Gospels as though for the first time something remarkable happens Jesus emerges as a teacher of the transformation of consciousness The Wisdom Jesus provides a new perspective on Christ and an expansive interpretation of His message Cynthia Bourgeault creates a masterful guide to Jesus s vision and the traditional

contemplative practices you can use to experience the heart of his teachings for yourself **The Wisdom Jesus** Cynthia Bourgeault,2008-01 Edward is kind hearted and always keen to help a friend in need The small engines trust him to lend a listening ear and sympathetic advice He is a hard worker too and always does his best to finish a job **The Wisdom of Jesus** Charles W. Hedrick,2014-11-07 How would the image of Jesus appear if it were based only on sayings that scholars generally agreed originated with Jesus And how would the wisdom of Jesus reflected in those few sayings compare to the wisdom of the sages of ancient Israel and the apostles of the early first century church To answer such questions historians face serious difficulties Everything we know about Jesus comes from what later writers thought about him none of the things they claimed he said came directly from him Everything in the early Christian gospels is either derived from historical memory or is borrowed or invented Hedrick claims Even those few sayings receiving near universal agreement from historians as sayings of Jesus can only be affirmed as probable rather than certain The aim of this study is to allow Jesus to speak for himself directly to readers as nearly as possible in his own words without the theological explanations of his interpreters The resulting image of Jesus that emerges is a complex picture of a first century lower class man who was not religious in a traditional sense His discourse was the language of the secular world and addressed issues of common life

The Wisdom of Jesus Christ: Answers Mofao N. The Christ Conspiracy Acharya S.,2012-09-04 In this highly controversial and explosive book archaeologist historian mythologist and linguist Acharya S marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies mystery schools and religions in order to unify the Roman Empire under one state religion In developing such a fabrication this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era and reworked them for centuries into the religion passed down to us today Contrary to popular belief there was no single man who was at the genesis of Christianity Jesus was many characters rolled into one These characters personified the ubiquitous solar myth and their exploits were well known as reflected by such popular deities as Mithras Heracles Hercules Dionysos and many others throughout the Roman Empire and beyond The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior gods Krishna and Horus who for millennia preceding Christianity held great favor with the people The Christ Conspiracy shows the Jesus character as not unique or original not divine revelation Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces The result of this myth making has been The Greatest Conspiracy Ever Sold

What Jesus Taught Osborne J. P. Widtsoe,2019-12-06 In *What Jesus Taught* Osborne J P

Widtsoe intricately explores the teachings of Jesus Christ delving into the profound moral and ethical implications of His messages. Written in a clear and accessible style, this scholarly work contextualizes Jesus's parables and discourses within the socio-political landscape of first-century Judea. Widtsoe employs a blend of historical exegesis and theological inquiry, engaging readers with both the spiritual and practical aspects of Jesus's teachings while emphasizing their relevance across ages and cultures. His comprehensive analysis serves as a bridge between ancient wisdom and contemporary moral dilemmas, making it a vital contribution to religious literature.

Osborne J. P. Widtsoe, an esteemed scholar and member of the Church of Jesus Christ of Latter-day Saints, was deeply influenced by his faith and commitment to education. A prominent voice in early 20th-century religious thought, Widtsoe's extensive background in agriculture and science informed his approach to spirituality, allowing him to marry intellectual rigor with profound sensitivity to religious matters. His personal experiences and academic pursuits uniquely positioned him to address the complexities of Christian teachings in an ever-changing world. I highly recommend *What Jesus Taught* to anyone seeking a deeper understanding of Christian doctrine and its applications in modern life. Whether you are a devout believer, a scholar of religious studies, or simply a curious reader, Widtsoe's work offers valuable insights that challenge and inspire. This book is essential for understanding Jesus's enduring influence on ethics and humanity.

The God of Evolution Denis Edwards, 1999. What does accepting the theory of evolution mean for Christian theology? Does God create through a process of random mutation and natural selection? In *The God of Evolution*, Denis Edwards tackles hard questions about the relationship between contemporary science and Christian faith. By examining traditional Christian concepts through the prism of evolutionary thought, Edwards opens up new ways of thinking about the nature of God and the universe.
