The Wizard And The Rainbow:

The Wizard and the Rainbow Kath Vickers,1987 A wizard and a young boy travel in a magic limousine to Rainbow Town

IN THE SHADOW OF THE WIZARD JERRY. BLOOM,2024 IN THE SHADOW OF THE WIZARD JERRY.

BLOOM,2020 The Wizard of Awes David Shepard Love,2019-05-02 A wonderful journey over the rainbow to explore the inter connectedness of us all This somewhere over the rainbow story is the adventures of three boys who discover the inner mysteries of the rainbow Master storyteller Professor John the wizard guides the adventurers through the Land of Awes with the magical help of a fairy named Chrystal and four supernatural beings Following a magical rainbow map written upon seven ancient scrolls they soon see this is an adventure in time dimension and finding their true purpose in the New Earth A life changing metaphysical story of children of all ages Guaranteed to delight amaze and help you see you are the one who sits upon the rainbow throne in the Land of Awes *The Dark Tower Boxed Set* Stephen King,2017-09-05 For the first time ever as a complete ebook series all of Stephen King s eight Dark Tower novels one of the most acclaimed and popular series of all time Special bonus The ebook boxed set now includes The Complete Concordance a user s guide to the Dark Tower world Set in a world of ominous landscape and macabre menace The Dark Tower series features one of Stephen King s most powerful creations The Gunslinger a haunting figure who embodies the qualities of the lone hero through the ages from ancient myth to frontier Western legend As Roland crosses a desert of damnation in a treacherous world that is a twisted image of our own he moves ever closer to the Dark Tower of his dreams and nightmares This stunning must have collection includes The Dark Tower I The Gunslinger The Dark Tower II The Drawing of the Three The Dark Tower III The Waste Lands The Dark Tower IV Wizard and Glass The Dark Tower The Wind Through the Keyhole The Dark Tower V Wolves of the Calla The Dark Tower VI Song of Susannah and The Dark Tower VII The Dark Tower The perfect keepsake for Stephen King fans The Dark Tower 8 Book Boxed Set is the most extraordinary and imaginative cycle of tales in the English language from the reigning King of American popular literature Los Angeles Daily News **Dorothy** Vincent Begley,2002-04 The day after seeing The Wizard of Oz in a movie theater I went out and bought a copy of the book I devoured it in one sitting and was convinced that as wonderful as the movie was the book was better still I identified with Dorothy because both of us were orphans She was sent out to Kansas to live with Em and Henry and I was adopted by a couple from Brooklyn And while I was always curious about who my birth parents were I didn t do anything about it until I was married with three children That s when I jumped on the yellow brick road and embarked on a search for my birth parents My story was published in the book Missing Links The True Story of an Adoptee s Search for his Birth parents I mentioned Dorothy in my book and subsequently used her journey in Oz as an analogy for the adoptee in search of his her birth parents when I was invited to speak to adoption groups What I often wondered ever happened to Dorothy when she grew up And how did she get to Kansas in the first place I answered my own question in a book Two books for that matter Dorothy Looking for a Rainbow a novel for young

adults written in the third person covering Dorothy's life from shortly before her birth to the day she leaves her Kansas farm and goes out to find her own yellow brick road And the other book Dorothy This Side of the Rainbow written in the first person as a memoir covering Dorothy's entire life Both books attempt to bring the character of Dorothy to life Both books try to create a strong female character one who can become a role model for not only young women but young men as well The Dorothy that I created doesn't live in Oz She lives in the real world during a real time in American History My Dorothy was born in 1878 I aimed for historical accuracy There are many actual events and real people in both of the Dorothy stories because I wanted Dorothy to be a part of our history On one level my Dorothy stories are historical adventure stories in the tradition of Little House on the Prairie Little Women and Sarah Plain and Tall But the two books exist on a number of different levels too Both are personal search stories that unite actualization and spirituality Both offer a parallel between the events in Oz and their possible origin in the real world Both offer readers a chance to rekindle their own childhood and rediscover cherished memories of what it was like to dream
