Twelve Doorways of Light: a Portal to Your God-Self Sarah Jeane, 2013-07-17 Twelve Doorways of Light conveys Divine messages awakening our Heart to embrace Love Unity Consciousness from Awareness and Peace Born from a personal spiritual journey these messages guide you through a portal of light the Stargate of your heart to an experience of your God Self inviting you to embrace with joy the sacredness in all of life From that place your true purpose is revealed and divine creativity flows boundlessly This book is for you if you are looking to develop your creative gifts in joy and sacredness listening to the voice of love in your heart inviting the love of God to lead your path to be of service This creative work is in furtherance of a journey in unity consciousness as a contribution to peace and harmony God, Self, and Death Shannon Burkes Pinette, 2021-12-28 This volume considers the emerging Jewish interest in an afterlife during the second temple period in relation to developing views of the deity and the self In some circles God is understood as increasingly distant from the human sphere and so justice must occur in another world or after death at the same time more autonomous constructions of the self in response to community breakdown suggest that reward and punishment come not only collectively but also on the individual level in a post mortem realm The book traces the interconnections between these themes in Job and Ecclesiastes Ben Sira and Daniel then Wisdom of Solomon and 4 Ezra crossing genre boundaries in an attempt to offer a more encompassing historical investigation
